About

The SR 70 Resurfacing and Median Modification from US 441 to NE 17th Avenue is a Resurfacing, Restoration, and Rehabilitation (RRR) project intended to extend the service life of the existing roadway, improve safety and correct deficiencies. This project will include milling and resurfacing of the existing pavement with new striping, upgrading highway signing, converting the full median opening at NE 3rd Avenue to a directional median opening and signal removal, reconstruction of the sidewalks to meet Americans with Disabilities Act (ADA) criteria, driveway reconstruction, replacement of a portion of the drainage system, and new signals and lighting at NE 8th Avenue.
