About

The Florida Department of Transportation (FDOT) will begin milling and resurfacing Clark Road/S.R. 72 from U.S. 41/S.R. 45 to East of Derek Avenue in late summer. Improvements will also include median modifications, lighting, signalization, drainage, curb and gutter and sidewalk improvements within the project limits. Additional safety improvements will include a mid-block pedestrian crossing to enhance pedestrian safety. The project spans just over 3.83 miles with an estimated project cost of $14.8 million.
