About

SCHEDULE: Construction starts late April 2024 with completion expected by spring 2025.

SINGLE LANE: SR 64 will be single lane traffic through the intersection both east and west bound. Transition to single lane both east and westbound during Phase II. Allow more travel time or consider alternate routes.

DETOUR: During work on the Lorraine Road side of the roundabout, access to Lorraine Road from SR 64 will be closed to through traffic. Use detour via White Eagle Boulevard to 44th Avenue East. Detour occurs during IIA, IIB, IIIA, IIIB and IV (during milling and resurfacing).

DETOUR: When construction moves to the alternate side at 145 Street East, the access to 145 Street East from SR 64 will be closed to thru traffic. Use Rye Road to 18th Place East. Detour occurs during Phases IIIA and IIIB.

Throughout the project, expect noise from construction equipment.
