

## Location and Design Concept Acceptance for FDOT S.R. 29 PD&E Study

On May 15, 2017, the Florida Department of Transportation (FDOT) Office of Environmental Management (OEM) granted Location and Design Concept Acceptance for the State Road (S.R.) 29 Project Development and Environment (PD&E) Study. The project limits are from north of S.R. 82 in Collier County to south of County Road 80A in Hendry County, a distance of approximately 18 miles. The Financial Project ID number is: 417878-2-22-01. The proposed improvements include widening the existing S.R. 29 from two lanes to four lanes. Additional information is available on the project website at [www.sr29.com](http://www.sr29.com). This project is now eligible to move to the next phase of development.

If you would like more information regarding this project, please contact FDOT Project Manager, Marlon Bizerra, at (863) 519-2250 or by e-mail at [Marlon.Bizerra@dot.state.fl.us.com](mailto:Marlon.Bizerra@dot.state.fl.us.com).

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by (FDOT) pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Federal Highway Administration and FDOT.
