

FLORIDA DEPARTMENT OF TRANSPORTATION SR 64 AT LORRAINE ROAD ROUNDABOUT

Financial Project ID: 196022-6

Spring 2024
Manatee County, FL

CONSTRUCTION PROJECT

The Florida Department of Transportation (FDOT) will begin the construction of a multi-lane roundabout on State Road (SR) 64 and Lorraine Road to the south and 145th Street to the north, replacing the current signalized intersection to provide free flowing traffic, ease congestion and improve safety. Construction will be worked in five phases and begin late April with completion expected by Spring 2025.

PROJECT IMPROVEMENTS

- Construct multilane roundabout
- New or replace light poles
- Sign and pavement markings
- Additional sidewalk
- Mill and resurface in the affected area
- Estimated cost: \$6.2 million

PROJECT SCHEDULE

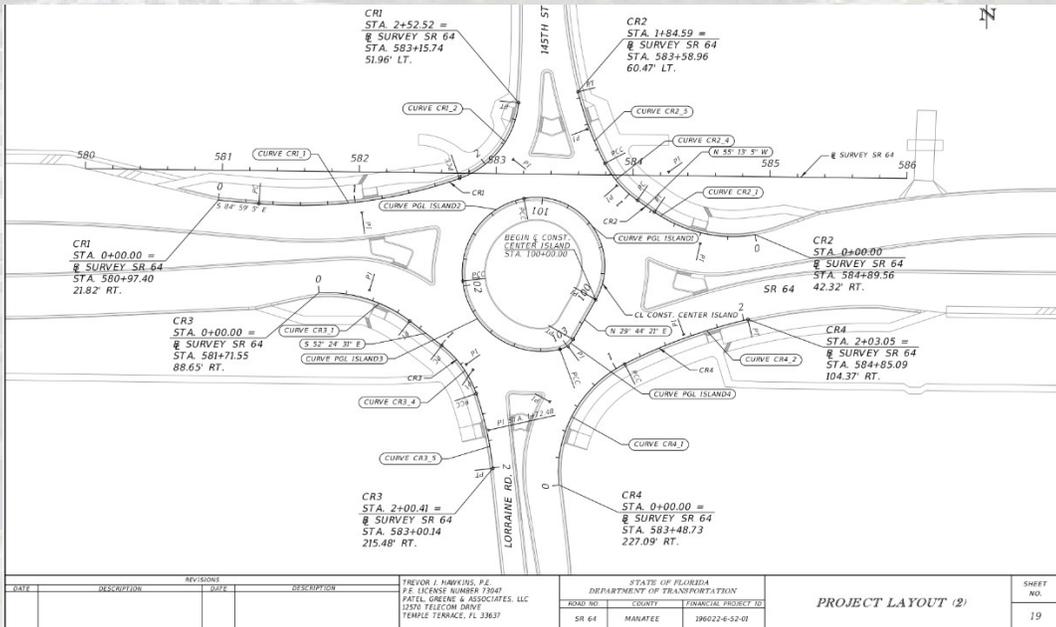

- **SCHEDULE:** Construction starts late April 2024 with completion expected by spring 2025. For more in depth construction phases see other side.
- **SINGLE LANE:** SR 64 will be single lane traffic through the intersection both east and west bound starting in Phase II through completion of Phase IV.
- **DETOUR:** During work on the Lorraine Road side of the roundabout, access to Lorraine Road from SR 64 will be closed to through traffic. Use detour via White Eagle Boulevard to 44th Avenue East.
- **DETOUR:** When construction moves to the alternate side at 145 Street East, the access to 145 Street East from SR 64 will be closed to thru traffic. Use Rye Road to 18th Place East. The left turn from SR 64 East onto 145th will be closed. Proceed to next U-turn.

Outreach Assistance: If you have questions, need assistance or would like FDOT to meet with your organization, please contact barbara.catlin@dot.state.fl.us.

- **Phase I** – During this first phase, crews will prepare the construction zone. Then construct the temporary pavement on SR 64 and Lorraine Road necessary for Phases II A and II B.
- **Phases II A & B and III A & B** – This phase will focus on the south Lorraine Road side construction and widening up through the intersection, drainage structures, curb and gutter. Access to Lorraine Road will be closed. Also, during Phase II crews will construct temporary pavement to shift work to the north at 145th Street.

SINGLE LANE TRAFFIC: Begin single lane both east and westbound on SR 64.

DETOUR: Greyhawk Roundabout to White Eagle Boulevard to 44th Avenue East to Lorraine Road.

DETOUR: The left turn from SR 64 East onto 145th Street will be closed. Use Rye Road Roundabout, Rye Road to 18th Place East.

- **Phase III A and B** – Close access to 145th Street as construction work shifts to the north side. Some limited right turn in and right turn out of 145th Street.
- **Phase IV** – Construct the center island and mill and resurface.
- **Phase V** – Placement of friction course, final pavement markings, and signage. Project final acceptance.
- **Access 7-11 from SR 64 West entrance.**
