

FLORIDA DEPARTMENT OF TRANSPORTATION
SR 710 IMPROVEMENTS
FROM WEST OF SE 67TH WAY TO WEST OF SE 48TH STREET
CONSTRUCTION BEGINS JANUARY 14, 2019

Financial Project ID: 438065-1-52-01

September 2018

The Florida Department of Transportation's contractor, Lynch Paving & Construction Company, will begin work in mid-January to make improvements at SR 710 from west of SE 67 Way to west of SE 48 Street in Okeechobee County. The project length is approximately one and a half miles. The project limits are identified below on the project location map. Lane closures on SR 710 will be required during construction. Please follow flagger directions and watch for workers in the construction zone.

PROJECT IMPROVEMENTS

- Milling and resurfacing the roadway at SR 710 from west of SE 67th Way to west of 48th Street
- Drainage improvements along SR 710
- Installing signage and pavement markings
- Improving the road shoulders
