

Florida Department of Transportation

US 301 at the Hernando Desoto Bridge

Bridge Improvement Project

The Florida Department of Transportation along with its contractor, Inland Construction and Engineering, Inc., are making minor bridge improvements to the Hernando Desoto Bridge in Manatee County. Improvements include installing pile jackets, concrete repairs and repairs to the bridge fender system.

Portions of Riverwalk along the seawall will be closed from early May through the end of August while crews are making repairs to the seawall.

The \$1.1 million project begins early May 2017. Expected completion is fall 2017.

Lane Closures

Motorists should expect nighttime/overnight lane closures from 8 p.m. to 6 a.m. while crews are working.
