

BIKES, BUSES, CARPOOLS: SWFL COMMUTERS MADE A DIFFERENCE

Bikes. Buses. Carpools. Oh My!

This year, YOU made a difference! SWFL commuters logged 27,290 trips—saving \$301,131 and cutting 198 tons of CO₂ emissions. That's like planting 9,000 trees! Commute Connector, a program of the Florida Department of Transportation, is here to help you explore the benefits of alternative commuting. 🚲🚌

Shout-Out to Our Ride Roll Stroll Champions

Our challenge brought out the best in our commuters, with 115 participants competing for prizes. 🎉 Top Performer: Olider who impressed us with 68 bike trips. Could you be next year's MVP?

How We Got Here

Our mission is simple, help you save money while you explore your commuting options. Here's how:
