Interstate 75 at US 301 Interchange Improvements

CONSTRUCTION PROJECT

The Florida Department of Transportation is constructing interchange improvements on the Interstate 75 (I-75) at US 301 interchange to improve highway operations, safety, and regional mobility.

Improvements include:

- Reconstruction of the US 301 interchange converting from a partial cloverleaf design to a diamond interchange design
- Replacement and widening of interstate entrance and exit ramps
- New bridges over the Manatee River for a northbound exit ramp and a southbound entrance ramp
- Widen I-75 to provide an auxiliary lane between SR 64 and the new on- and off-ramps
- Construct noise walls at designated locations
- Intersection improvements at:
51st Avenue East, 60th Avenue East, and 19th Street East
- Bicycle and sidewalk improvements

PROJECT SCHEDULE UPDATE*

Completed Work

- I-75 northbound widened from SR 64 to Manatee River
- I-75 southbound widened from Manatee River to Kay Road

Ongoing Work

- Manatee River Bridges (on- and off-ramps) - expected completion late 2024
 - Temporary Traffic Control on Tidewater Preserve Boulevard, between Riverscape Street and 48th Street Court NE, during the bridge construction)
- Salt Marsh Bridge currently being widened - expected completion mid 2023
- I-75 noise walls - start late 2022/early 2023

Future Work

- US 301 improvements - start late 2022/early 2023
- US 301 interchange - start early 2023
