FDOT Compass

FDOT is guided by six focus areas that navigate Florida’s transportation system and offer a sustainable future for our state. Our work embraces these focus areas as we understand that they are all interconnected and allow us to advance projects that improve safety, embrace new technologies, and offer greater resiliency. We work with our communities on implementing tailored solutions and developing a robust workforce and supply chain.

SAFETY

We are committed to reaching zero fatalities and serious injuries on our roadways.

COMMUNITIES

Building relationships to achieve community vision and meet transportation needs.

WORKFORCE
DEVELOPMENT

Develop career path and progression for all internal and external occupations.

RESILIENCY

Dedicated proactive efforts to ensure transportation, communities, and the environment work in harmony.

TECHNOLOGY

Focused on investing and attracting technology that enhances safety and quality of life.

ROBUST SUPPLY CHAIN

Strategic investments across all network modes.
