

SR 64 Study Projects of Interest

SR 64 (US 27) From Hardee County Line to Self Ave

FPID: 451271-1 | In-House Design

This is a pavement only project and will resurface the roadway and replace the pavement markings.

Total Cost for all phases: \$2,594,174.69

Fiscal Year: Design 2024, Construction 2027

US 27 at SR 17 / SR 64

FPID: 451361-1 | Pre-Design

This project is intended to enhance the safety and functionality at the intersection of SR 64/SR 17 (W. Main St.) and US 27. At the intersection of SR 64/SR 17 (W. Main St.) and US 27 extend the US 27 northbound left turn lane to 600-ft. SR 64 (W. Main St.). West of US 27 is a two-lane undivided urban arterial roadway. SR 17 to the east is a four-lane divided roadway.

Total Cost for all phases: \$972,968 Programmed

Fiscal Year: Design 2025, Construction 2027

Avon Park Executive Airport Improvements Increased Access Along SR 64

FPID: 452954-1 | Planning

The funds requested will be used for road and utility improvements and right of way acquisition on approximately three plus miles of Hwy 64 near Hwy 27 for three turning lanes entering the Avon Park Executive Airport. Additionally, the funding will provide ingress and egress for the western boundary of airport to support economic development, a Biotech Center and Logistical Staging area for emergency disaster relief.

Total Cost for all phases: \$3,000,000

Fiscal Year: 2024
