About

The Florida Department of Transportation will begin construction at I-4 at State Road 33 interchange to provide interchange improvements to improve highway operations, safety, and regional mobility.

Improvements include:

- Reconstructing the I-4 at SR 33 interchange including two new bridges over SR 33
- Reconstruct I-4 bridge over SR 33
- Construct new roundabouts at the interchange off-ramps
- Resurface I-4 to the east and west of interchange
- Widen SR 33 from two undivided lanes to four divided lanes from Old Combee to just north of Tomkow Rd
- Resurface SR 33 from Old Combee Rd to just north of Tomkow Rd
- Construct new roundabouts Village Lakes Blvd/Combee Rd and Firstpark Blvd/University Blvd
- Noise walls along SR 33 in designated locations
- Wildlife Crossings - one over I-4, and one under SR 33 east of the interchange
