About

The Florida Department of Transportation will begin work on June 22, 2022, to make improvements to US 27 from south of SR 70 to north of SR 70 in Highlands County. The project length is less than a mile and the project limits are shown below.

The project length is approximately six miles.

- Reconstruct the intersection at US 27 and SR 70
- Resurface portions of US 27 and SR 70
- Improve drainage
- Install new signage and pavement markers
- Install signalization and lighting at the intersection

Estimated construction cost is \$8.2 million
Construction begins June 22, 2022; estimated completion is summer 2023

During construction there will be daytime and nighttime lane closures on US 27 and SR 70 near the intersection
