<b>Work Type</b>	Interchange Construction
<b>Phase</b>	PD&E
<b>Limits</b>	I-75 from south of MLK Blvd (SR 82) to north of Lockett Rd
<b>Length</b>	2.2 miles
<b>City</b>	Fort Myers
<b>County</b>	Lee
<b>Road</b>	I-75 SR 82

**About**

The Florida Department of Transportation (FDOT) is conducting a Project Development and Environment (PD&E) Study to add an auxiliary lane in each direction of I-75 and evaluate interchange improvements at MLK (SR 82) and at Lockett Road. The approximate limits of the project are from south of MLK (SR 82) to north of Lockett Road along I-75. Project limits may be adjusted based on alternative.
