About

The Florida Department of Transportation (FDOT), District One, is proposing improvements along State Road (S.R.) 45 (U.S. 41/N Cleveland Avenue) from north of S.R. 78 (Pine Island Road) to Diplomat Parkway in North Fort Myers, Lee County. The purpose of the project is to enhance safety by providing a full signalized intersection at Diplomat Parkway and modifying continuous right turn lanes as well as evaluating existing curb ramps and sidewalks to ensure compliance with current Americans with Disabilities Act (ADA) standards. Additional improvements include installing lighting along the corridor from S.R. 78 (Pine Island Road) to Diplomat Parkway.
