

S.R. 37 (N. Church Ave/S. Florida Ave) from north of Virginia Street to south of Schoolhouse Road

450890-1

Project Details	
Work Type	Resurfacing
Phase	Construction
Limits	north of Virginia Street in Mulberry to south of Schoolhouse Road in Lakeland
Project Start	Early 2026
Length	4.2 miles
City	Lakeland Mulberry
County	Polk
Road	SR 37
Construction Cost	\$5.8 million
Estimated Completion	Early 2026

About

This FDOT project will improve the ride quality of S.R. 37 (North Church Avenue in Mulberry / South Florida Avenue in Lakeland) by milling the top layer of existing asphalt and repaving the roadway and side street entrances. Rumble strips will also be installed along the edge lines to improve safety by providing audible and tactile warnings if drivers drift out of their lane.

The speed limit will remain the same during construction. Lane closures will occur only at night and overnight hours. Drivers should use caution and be prepared to merge. Work is scheduled primarily Sunday through Thursday nights, with weekend work as needed.
