## About

This pavement-only project includes milling and resurfacing along Lakeland Hills Boulevard from U.S. 92 to just north of Buena Vista Street. The project also includes minor sidewalk repairs to bring facilities up to current ADA standards. Sidewalk work will be among the first activities completed during this three-month project.

Pedestrians should expect minor detours while sidewalk repairs are underway. Lane closures on Lakeland Hills Boulevard will be limited to nighttime/overnight hours and coordinated with the adjacent Lakeland Hills Boulevard reconstruction project located just north of the project area. Single westbound lane closures on U.S. 92 may occur during daytime hours.
