

S.R. 544 (Lucerne Park Road) at Old Lucerne Park Road East 454031-1

Project Details	
Work Type	New Traffic Signal
Phase	Construction
Limits	S.R. 544 (Lucerne Park Road) at Old Lucerne Park Road East
Project Start	Early 2026
City	Winter Haven
County	Polk
Road	SR 544
Construction Cost	\$2.6 million
Estimated Completion	Late 2026

About

To improve safety and traffic flow, the FDOT will add a new traffic signal at the intersection of S.R. 544 (Lucerne Park Road) and Old Lucerne Park Road East. In addition to the new traffic signal, pedestrian signals, high visibility crosswalks, and lighting will be added around the intersection. A concrete traffic separator will be constructed between the east and westbound lanes on Lucerne Park Road west of the intersection.

During construction, motorists should expect lane closures at night/overnight.

The project is one of three combined into one contract to add signals at three separate intersections throughout FDOT District 1
