Burnt Store Road PD&E Study

From Van Buren Parkway to Charlotte County Line
Lee County
Financial Project ID No. 436928-1-22-01

The Florida Department of Transportation (FDOT), District One, invites you to an alternatives public workshop for a Project Development and Environment (PD&E) Study for the widening of Burnt Store Road from Van Buren Parkway to the Charlotte County Line in Lee County, Florida. There will be an in-person open-house on August 30, 2022 from 5 to 7 p.m., and live online meeting on September 1, 2022, from 6 to 7 p.m.

The purpose of the study is to evaluate alternative concepts to widen this segment of Burnt Store Road from two to four lanes, with future accommodation of six lanes, to address projected travel demand as a result of area-wide growth. The proposed project may also include the addition of paved shoulders/marked bike lanes, sidewalks, and/or a shared-use path.

UPCOMING WORKSHOP

You can participate in the public workshop online or in-person. The same material will be displayed at both the in-person and online meetings, and will be posted on the project website (<http://www.swflroads.com/burntstorerd/vanburentocharlottectyline>) by August 23, 2022.

In-person Option: The in-person alternatives public workshop will be held on August 30, 2022, at the Northwest Regional Library, 519 Chiquita Blvd N, Cape Coral, FL 33993. The in-person workshop will be in an “open house” format from 5-7 p.m.

Live Online Option: Attend virtually on September 1, 2022 starting at 6 p.m. The same material will be covered in the online public workshop and will include a live question-and-answer component. To attend virtually from a computer, tablet or mobile device, please register in advance by visiting <https://tinyurl.com/burntstore> or register on the project website (<http://www.swflroads.com/burntstorerd/vanburentocharlottectyline>). Once registered, attendees will receive a confirmation email containing information about joining the workshop online. Please note, Internet Explorer cannot be used to register or attend this GoTo Webinar.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May 26, 2022, and executed by FHWA and FDOT.
