

FLORIDA DEPARTMENT OF TRANSPORTATION

DAVENPORT COMPLETE STREETS PROJECT

Financial Project ID: 435094-2-52-01

June 2022
Polk County, FL

CONSTRUCTION PROJECT

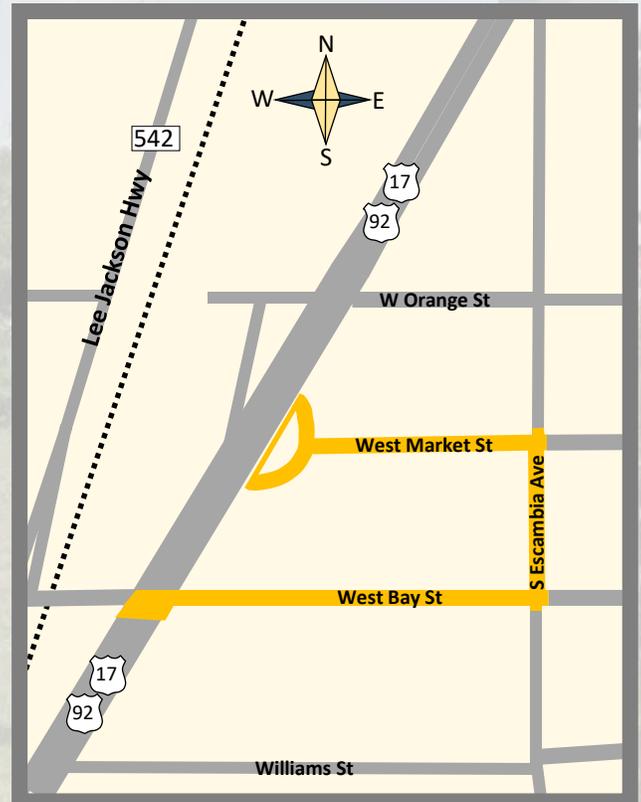

The Florida Department of Transportation has begun improvements on a Complete Streets Project on West Bay Street, South Escambia Avenue and West Market Street, east of US 17/92 in Davenport.

PROJECT IMPROVEMENTS

- West Market Street will be resurfaced from US 17/92 to South Escambia Avenue.
- West Bay Street will be resurfaced and widened to add on-street parking on the north side of the road between US 17/92 and South Escambia Avenue.
- Wider sidewalks will replace the existing sidewalks on the north side of West Bay Street, west side of South Escambia Avenue and both sides of West Market Street.
- New sidewalk will be added around the water feature island on West Market Street.
- High visibility crosswalks and upgraded pedestrian signals will be added at the US 17/92 and West Bay Street intersection.
- New LED street lights will replace the existing street lights along all three local roads.
- The project also includes drainage improvements and new curb and gutter.

PROJECT INFORMATION

- Construction began June 5, 2022 and is expected to be completed by early 2023.
- Most work is scheduled to occur at night/overnight from 7 p.m. to 7 a.m. weekdays, although work that does not require lane closures may occur during the day.
- Sidewalks will be closed with pedestrians detoured during construction.
- Construction costs are estimated at \$982,000.
