

US 41 (S. Tamiami Trail) Median Changes at Shadow Creek Boulevard & Harborage Drive/Babcock Road Lee County

FPID: 444640-2-52-01

PROJECT DESCRIPTION

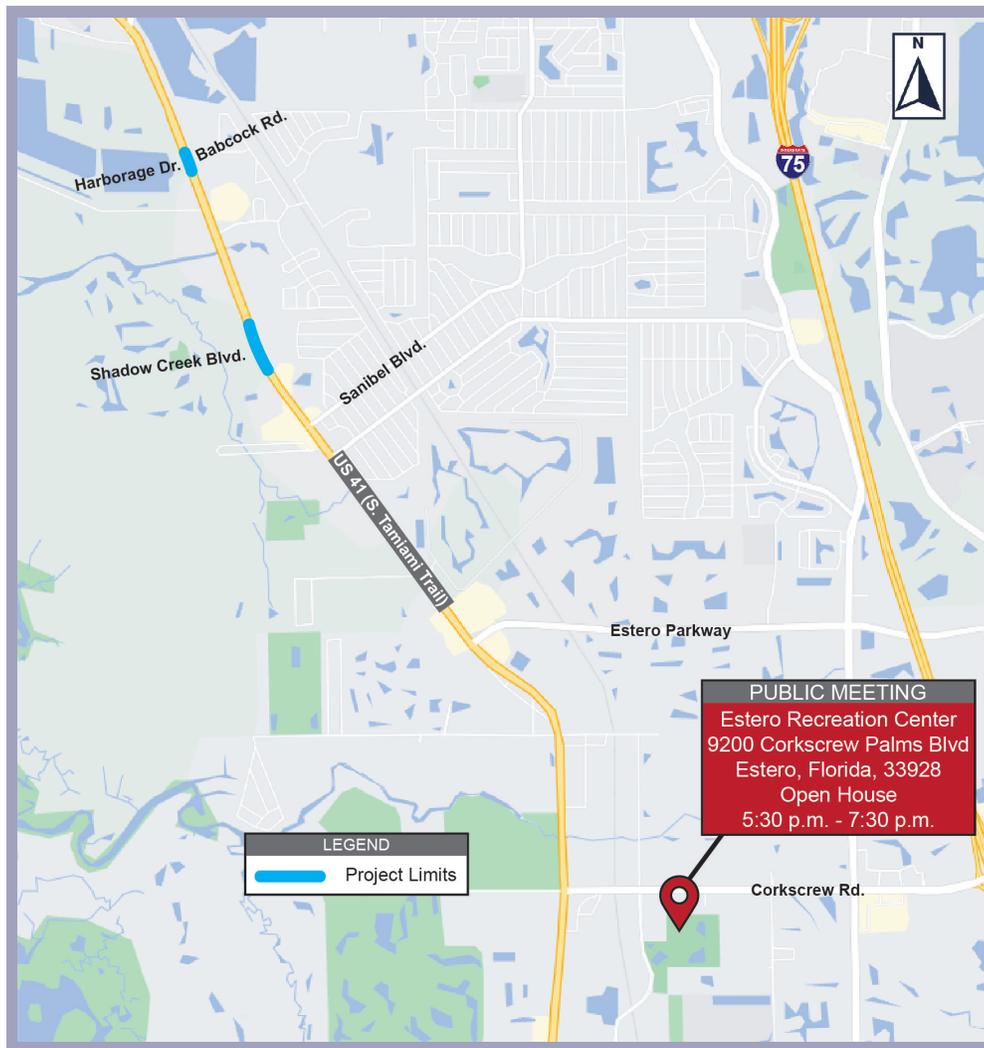

The Florida Department of Transportation (FDOT) District One is proposing improvements on US 41 (S. Tamiami Trail). The project location is in Fort Myers, Lee County. The project limits are at the Shadow Creek Boulevard and Harborage Drive/Babcock Road intersections.

The project design proposes median modifications to reduce conflict points and increase safety along the corridor. Changes include converting the full median openings along US 41 at Shadow Creek Boulevard and at Harborage Drive/Babcock Road to two-way directional median openings. The existing left turn lanes along US 41 at Harborage Drive/Babcock Road will also be offset to improve sight distance. Signing and pavement markings will be updated at both locations including modifications along the side streets.
