

SR 865 from Linda Loma Drive to Kelly Road

Financial Project ID No.: 447880-1

August 2023

WELCOME TO THE PUBLIC MEETING

The Florida Department of Transportation (FDOT), District One, welcomes you to the Public Meeting for the State Road (SR) 865 from Linda Loma Drive to Kelly Road project. This meeting is to follow-up on the previous meeting held on 3/30/2023. The Department appreciates the input from the public and its partners and would like to update them on the modifications to the design, as a result of the feedback received. FDOT is hosting this Public Meeting to present information about the proposed design and gather public input. Scan the QR code to visit the project website for additional details.

PROJECT OVERVIEW

Example of a chicane

The objective of this project is to provide improvements on SR 865 with the intent of enhancing safety along the corridor. Proposed improvements include the installation of corridor lighting, mid-block crosswalks and the construction of chicanes, or concrete traffic islands, which will narrow the roadway to discourage speeding as shown in the example. A series of chicanes will be constructed between Linda Loma Drive and Capistrano Court. Another series of chicanes will be constructed between Holiday Condo Drive and north of Derwent Boulevard. One additional traffic island is proposed within the existing two-way left-turn lane for additional traffic calming. Additional improvements include installation of new signage and pavement markings.

This meeting is being held to present project information and provide an opportunity for the public to offer feedback. FDOT will accept written comments during and after the meeting. Please submit your comments by August 22, 2023, to be included in the formal public meeting record.
