## WELCOME TO THE PUBLIC MEETING

The Florida Department of Transportation (FDOT), District One, welcomes you to the Public Meeting for the State Road (SR) 865 from Linda Loma Drive to Kelly Road project. FDOT is hosting this Public Meeting to present information about the proposed design and gather public input. Scan the QR code to visit the project website for additional details.

## PROJECT OVERVIEW

Example of a chicane

The objective of this project is to provide improvements on SR 865 with the intent of enhancing safety along the corridor. Proposed safety improvements include constructing chicanes, or concrete traffic islands, which will narrow the roadway to discourage speeding as shown in the example. A series of chicanes will be constructed between Linda Loma Drive and Zehner Lane. Another series of chicanes will be constructed between Holiday Condo Drive and north of Derwent Boulevard. Two additional traffic islands are proposed within the existing two-way left-turn lane for additional traffic calming. Additional improvements include installation of new signage and pavement markings. The Department is also exploring additional safety improvements as the design project progresses.

This meeting is being held to present project information and provide an opportunity for the public to offer feedback. FDOT will accept written comments during and after the meeting. Please submit your comments by April 10, 2023, to be included in the formal public meeting record.
