TITLE VI INFORMATION

DISTRICT 1
BARTOW

Welcome!

Roundabout at SR 82 and SR 29

*(As part of the SR 82 road
widening project from Gator
Slough Lane to SR 29)*

Project Overview

- Widening SR 82 from Gator Slough Lane to SR 29 to a four-lane divided roadway.
- Construction of 5-foot-wide paved shoulders, which will also serve as bike lanes.
- A 54-foot wide median.
- A 10-foot multi-use trail along the south side.
- A 5-foot sidewalk along the north side.
- The project is expected to be completed by summer 2022.
- Roundabout is expected to open to motorists by early 2022.

Roundabout Rendering

A roundabout is much safer than a
conventional signalized intersection.

Benefits of a Roundabout

- Traffic safety that includes reducing injury crashes by 76%
- Operational performance that reduces overall traffic delay
- Reduced costs with Operations and maintenance
- Roundabouts are more environmentally friendly
- Aesthetics can include more ornate landscaping
- And the accommodation of semi-trucks
