US 27 Median Modifications Safety Improvements

SAFETY IMPROVEMENTS

The Florida Department of Transportation is designing median modifications at five locations along US 27 between North Lake Damon Road and Lake Francis Road.

The project is needed to:

- Improve intersection safety
- Reduce the risk of crashes

The project includes median modifications along US 27 at:

- North Lake Damon Road
- Ponce De Leon Boulevard
- Whisper Circle
- Lake Josephine
- Lake Francis Road

PROJECT SCHEDULE

Final Design: To be determined

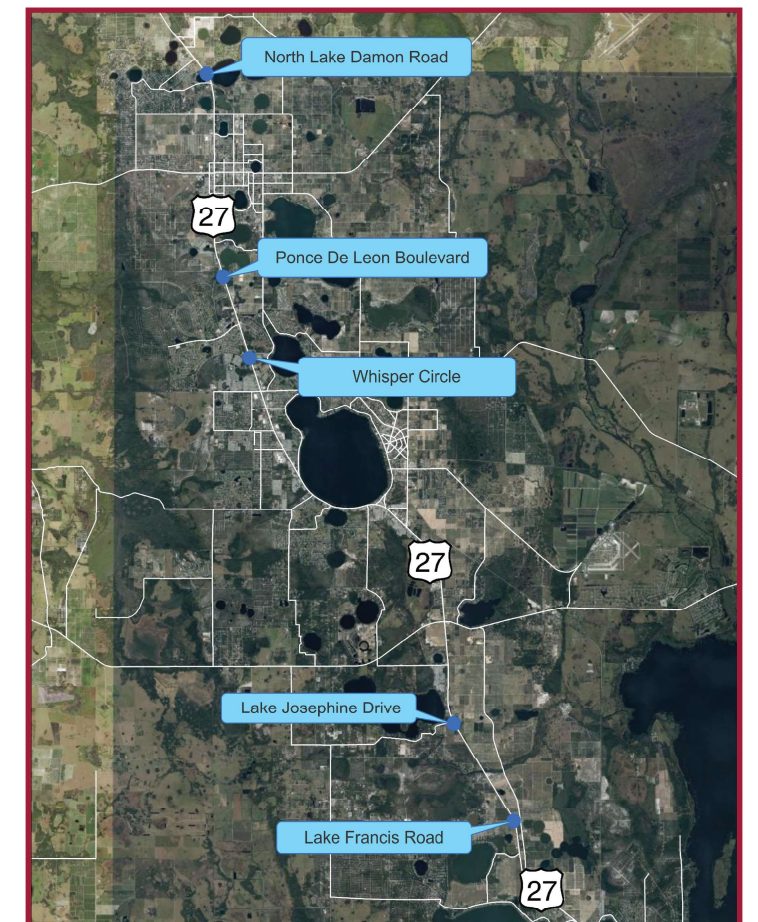

Construction: To be determined
(Anticipated 2028)

Notes:

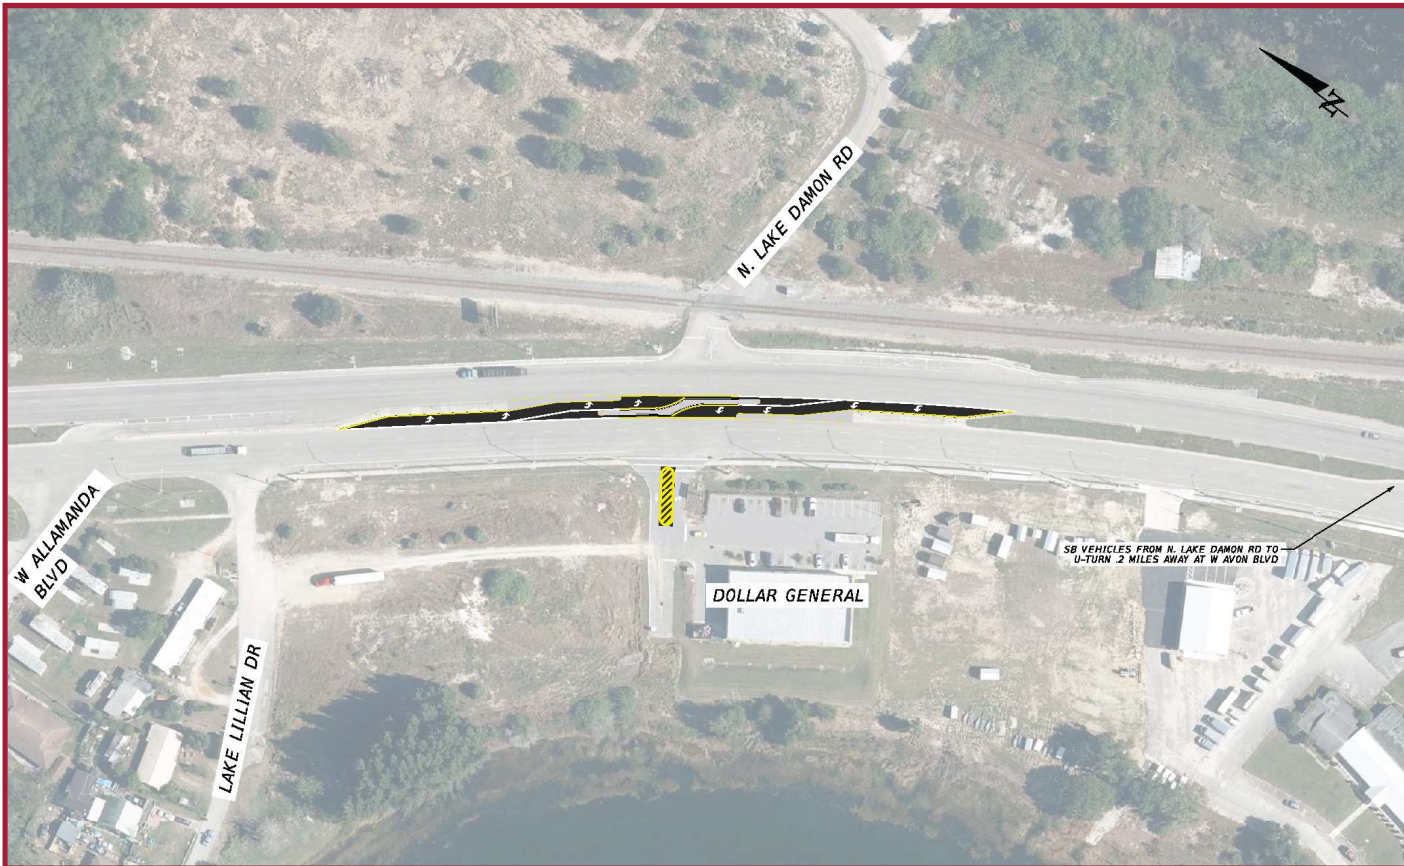

- Temporary delineators may be installed prior to the final construction at: North Lake Damon Road, Ponce De Leon Boulevard, Whisper Circle, and Lake Josephine Drive.
- 2020 crash data has not yet been fully verified.

PROJECT COST

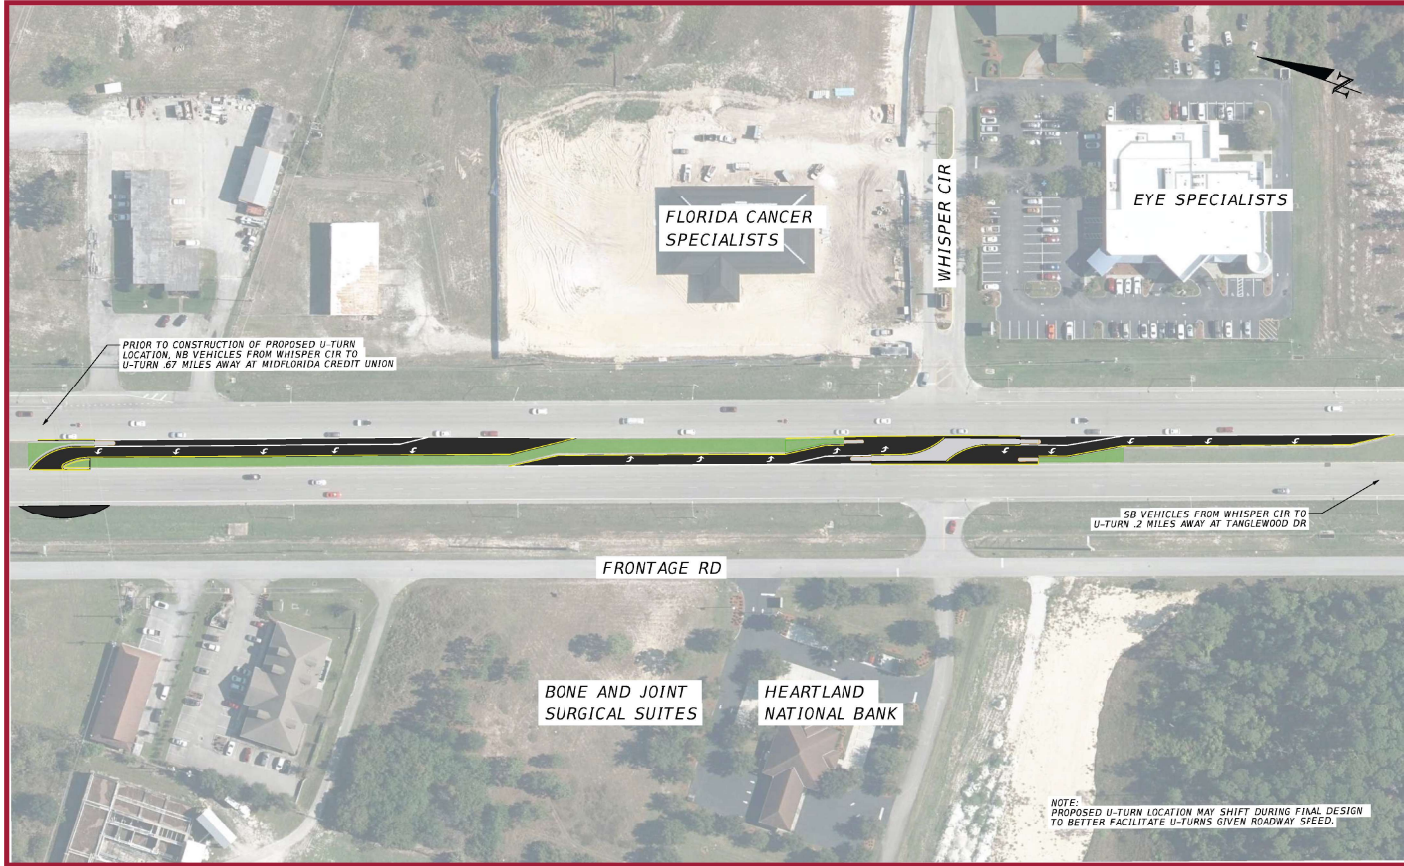

The estimated construction cost is \$3.5 M.
