

## WELCOME TO THE PUBLIC MEETING

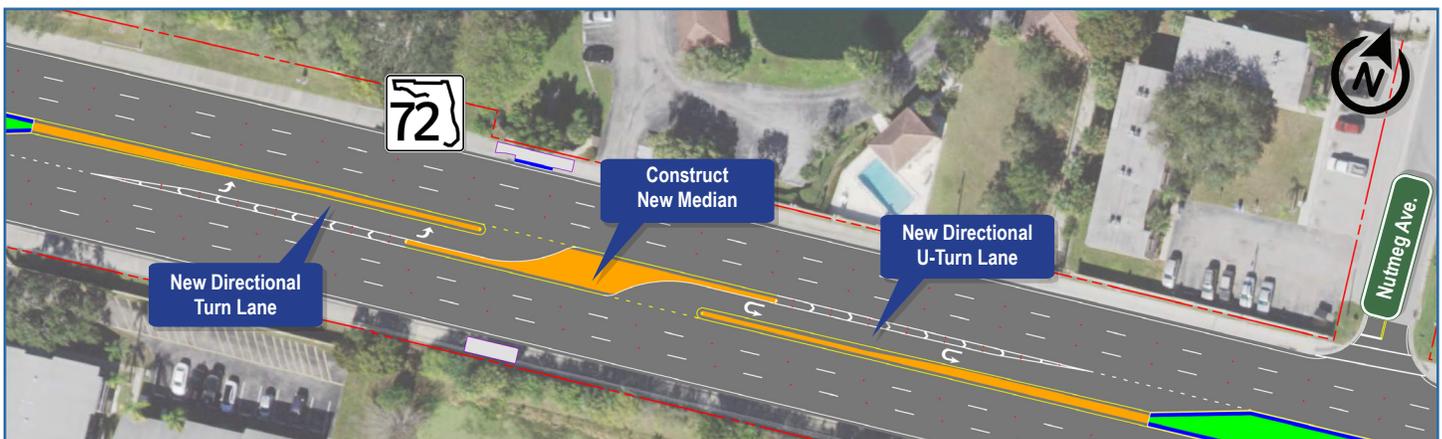

The Florida Department of Transportation (FDOT), District One, welcomes you to the Public Meeting for the State Road (SR) 72 from US 41 (SR 45) to Honore Avenue project. FDOT is hosting this Public Meeting to provide you with the opportunity to express your views about the proposed improvements. Scan the QR code to visit the project website for additional details.

## PROJECT OVERVIEW

The purpose of this project is to extend the service life of the existing roadway and improve safety along the SR 72 corridor. The project consists of repaving the roadway from US 41 (SR 45) to east of Derek Avenue and reconstructing the existing pavement from east of Derek Avenue to Honore Avenue. FDOT is also proposing access management improvements from Swift Road to Sawyer Road under FPID 447887-1. This work will be constructed concurrently with the work under FPID 449122-1. The intent of the improvements is to enhance traffic flow and reduce crashes by replacing the existing two-way left turn lane with a raised median and reducing lane widths. Additional improvements include construction of a midblock pedestrian crossing with a Pedestrian Hybrid Beacon (PHB) between Rockefeller Avenue and Bronx Avenue and striping, signal, and lighting upgrades.

This meeting is being held to present project information and provide an opportunity for the public to offer feedback. FDOT will accept written comments during and after the meeting. Please submit your comments by April 8, 2024, to be included in the formal public meeting record.

## CONTACT US

If you have questions or comments regarding the project, please contact FDOT Project Manager, Michael Rud.
