- 3. Website:** View the materials online at swfroads.com/project/414506-7. Comments can be provided through the project website.

All meeting materials will be available online by March 5, 2024. You do not have to attend a live event in order to submit a comment. Comments can be submitted at the live meeting, through the website, or through the contact information provided on the other side of this notification.

PROJECT OVERVIEW

The Florida Department of Transportation (FDOT) is widening SR 70 from Lorraine Road to Bourneside Boulevard from a four-lane undivided roadway to a four-lane or six-lane divided roadway, depending on the location. Other improvements on SR 70 include roundabouts to be constructed at Uihlein Road, Del Webb Boulevard, and Bourneside Boulevard, upgrades to the existing signalized intersection of Lorraine Road and Greenbrook Boulevard, construction of four bridges over Braden River crossings, installation of a new drainage system, construction of 10-foot shared use paths, street lighting and landscaping. The project will also include the installation of new fiber optic cable connecting the two signalized intersections to Manatee County's regional Advanced Traffic Management System (ATMS).
