CONSTRUCTION DETAILS

The Florida Department of Transportation (FDOT) will implement a temporary 21-day closure of Tower Street at U.S. 27 beginning May 26, 2026, as part of Phase 4 of the U.S. 27 Improvement Project. The closure will occur after the school year ends to minimize impacts to school-related traffic. The closure is necessary to complete roadway construction activities, including concrete pavement work at the Tower Street intersection, median work, paving operations and final roadway tie-ins along U.S. 27. The overall project includes milling and resurfacing of U.S. 27 from Shoreline Drive to Davis and Gaines Roads, covering approximately seven miles. The estimated construction cost is \$28 million. Construction schedules are subject to change due to weather and unforeseen circumstances.

DETOUR ROUTES

U.S. 27 northbound and southbound traffic will remain open during the Tower Street closure. Tower Street Closure Detours: Tower Street traffic traveling east or west across U.S. 27 will be detoured via;

- Tower Street eastbound/westbound traffic:
 Detour via CR 621 and East Interlake Boulevard to safely cross U.S. 27 and reconnect to Tower Street on the opposite side.
- Alternate/local access routes:
 Plaza Avenue and Lake Clay Drive may be used for nearby destinations and local circulation around the closure.
- Access to Tower Street properties:
 Local access will be maintained where possible; motorists should follow posted signs to reach homes and businesses.
- Traffic from Dal Hall Boulevard and nearby areas:
 Use U.S. 27 to CR 621, then continue via East Interlake Boulevard or local roads to access Tower Street. Detour map is provided on the back of this page for reference.
