

8DE01205: 7269 SE Highway 70

Resource Type: Structure

Build Date: circa 1950

Dimensions/Area: 1,688 sq ft

Modifications: None observed

NRHP Eligibility Status: Ineligible

Resource Description

7269 SE Highway 70 (8DE01205) is a newly recorded historical structure with an unknown style. Built in 1950, 8DE01205 is a one-story, irregular-shaped plan residence set on a foundation obscured from the ROW by vegetation. The hip-on-gable roof is topped with 5V crimp metal panels, and the wall cladding cannot be observed. The main entry is on the north façade and is obscured behind dense vegetation. It is within a gable extension. Fenestration could not be observed. The building is set back on the property and is enclosed by a chain link fence. There is one additional barn located on the property as well as ten non-historic outbuildings (**Figure 6-113**).

According to the DCPA Records, the main building mass is 1,688 sq ft (**Figure 6-114**). This property is currently owned by Larry and Sheila Avant. In June 2000, Erma Avant deeded the property to Larry and Sheila Avant. In April 1996, Linda Avant sold the property to Larry Avant (DCPA 2024).

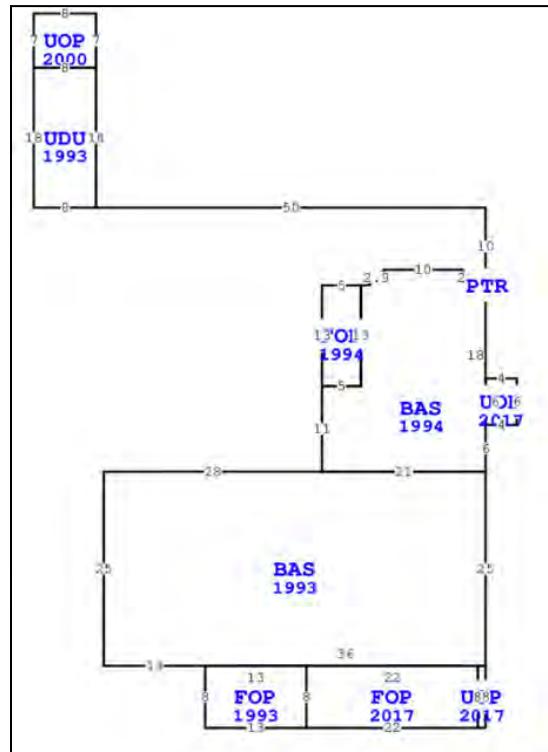

Recommendation

The District recommends that **8DE01205 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. It is not eligible under Criteria A or B as no significant historical associations are known. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

Figure 6-114. 8DE01205 base area plan (DCPA 2024).

8DE01206: 7462 SE Highway 70

Resource Type: Structure

Build Date: circa 1922

Dimensions/Area: 2,372 sq ft

Modifications: Vinyl siding (unknown); additions on north (ca. 2006)

NRHP Eligibility Status: Ineligible

Resource Description

7462 SE Highway 70 (8DE01206) is a newly recorded historical structure with Frame Vernacular style. Built in 1922, 8DE01206 is a one-and-a-half-story, rectangular-shaped plan residence set on a raised pier foundation obscured by lattice boards. The building consists of a wood frame structure and is clad in vinyl siding. The side gable roof is topped with 5V crimp metal panels, and a shed and gable addition is on the north elevation (ca. 2006). The main entry is centered on the south façade and consists of a glazed wood frame door. It is within a wraparound hip extension with a raised wooden porch. The porch consists of turned wood supports set upon brick bases and spindle railing and is accessed by masonry steps. Corner boards accent the south façade. Fenestration includes paired vinyl-framed single-hung-sash windows with four-over-four configuration. There are two historic barns north of the building as well as two historic shed outbuildings. Additionally, two non-historic sheds are north of the building. The structure is accessed by a paved driveway, and the property is enclosed by a wire fence with wood posts (**Figure 6-115–Figure 6-117**).

According to historic aerials, this property featured a grove as early as 1952. The grove remains present through 2006; however, by 2007, the grove begins to dissipate. By 2013, sparse vegetations remain, and there no longer appears to be an active grove.

According to the DCPA Records, the main building mass is 2,372 sq ft, and the porch covers 450 sq ft (**Figure 6-118**). This property is currently owned by James and Mary Jo Rummer. In April 1992, Lynn and Louis Clement sold the property to James and Mary Jo Rummer (DCPA 2024).

Recommendation

The District recommends that **8DE01206 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. It is not eligible under Criteria A or B as no significant historical associations are known. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

8DE01207: 12010 NE Highway 70

Resource Type: Structure

Build Date: circa 1970

Dimensions/Area: 17,490 sq ft

Modifications: Vinyl windows (unknown date); additions on north elevation (ca. 1995)

NRHP Eligibility Status: Ineligible

Resource Description

12010 NE Highway 70 (8DE01207) is a newly recorded historical structure with Industrial Vernacular style. Built in 1970, 8DE01207 is a one-story, irregular-shaped plan office building set on a concrete slab foundation. The shallow intersecting-gable roof is topped with 5V crimp metal, and the walls are clad in corrugated metal. The main entry is centered on the west façade and consists of a glazed metal door with flanking sidelights. It is within a gable extension supported by metal posts. An additional entrance is centrally located on the south elevation. The south elevation also features a gable extension covering the entrance. Fenestration includes individual vinyl-framed single-hung-sash windows with one-over-one configuration and vinyl framed fixed windows with pointed arch headers. There are two additions on the north elevation. Both date to circa 1995. A paved parking lot abuts the building to the south (**Figure 6-119–Figure 6-122**).

According to historic aerials, the parcel was developed into groves by 1984. While Orange Co. owned the property, it was a nursery that was paid to grow new trees for other grove owners (Bowden, Port Charlotte Sun, 2 July 2005:14). Alico Inc, the property's current owner, began as the Alico Land Development Company is a diverse company with interests in cattle, citrus, sugarcane, sod, and mining (Alico Inc 2024).

According to the DCPA Records, the main building mass is 17,490 sq ft (**Figure 6-123**). This property is currently owned by Alico Inc. In December 2014, Orange Co LP sold the property to Alico Inc. In March 2003, Orange Company of Florida Inc sold the property to Orange Co LP (DCPA 2024).

Recommendation

The District recommends that **8DE01207 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. It is not eligible under Criteria A or B as no significant historical associations are known. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

8DE01208: 13615 SE Highway 70 Building 1

Resource Type: Structure

Build Date: circa 1952

Dimensions/Area: 2,100 sq ft

Modifications: Porch added to south (ca. 2020)

NRHP Eligibility Status: Ineligible

Resource Description

13615 SE Highway 70 Building 1 (8DE01208) is a newly recorded historical structure with Ranch style. Built in 1952, 8DE01208 is a one-story, irregular-shaped plan residence set on a continuous brick foundation. The hip roof is topped with asphalt shingles, and the masonry walls are clad in brick veneer. The main entry is off center to the east on the north façade and is obscured behind a screen door. It is within a partial-width incised porch enclosed with mesh screen. Fenestration includes paired and individual metal-framed single-hung-sash windows with one-over-one configuration with masonry sills. An exterior brick shoulder chimney is on the east elevation, and an attached porch is on the south elevation (ca. 2020). A historic outbuilding (ca. 1952) with two garage bays is southeast of the main building and accessed by a paved driveway. The southern portion of the property is enclosed with a wood panel fence (**Figure 6-124–Figure 6-126**).

8DE01208 is on the property that was once Dorr Airfield. The military facility was approved on November 21, 1917 and became the primary training site of the southeast, serving as the testing site for parachute innovations and guided missile experiments (Historic Property Associates, Inc. 1982). Following World War II, the airfield was acquired by the State of Florida for use as G. Pierce Wood Memorial Hospital in 1947 (Museum of Florida History 2024). In a historic aerial from 1952, two residences (8DE01208 and 8DE01209) associated with the G. Pierce Wood Memorial Hospital appeared. In 1968, patients from the mental health facility were transferred to the new facility constructed at Carlstrom Field, and Dorr Airfield became a Sunland Training Facility. However, the Sunland branch closed the following year, and the facility was adapted into a medium-security prison operated by the Florida Department of Corrections which is still in use today (Historic Property Associates, Inc. 1982).

According to the DCPA Records, the main building mass is 2,100 sq ft (**Figure 6-127**). This property is currently owned by Department of Corrections DeSoto Correctional Institute (DCPA 2024). This building was part of Dorr Airfield which was sold by the US Army in 1947 to the DeSoto Correctional Institution (Museum of Florida History 2024).

Figure 6-124. Photograph of 8DE01208 – 1, facing southwest.

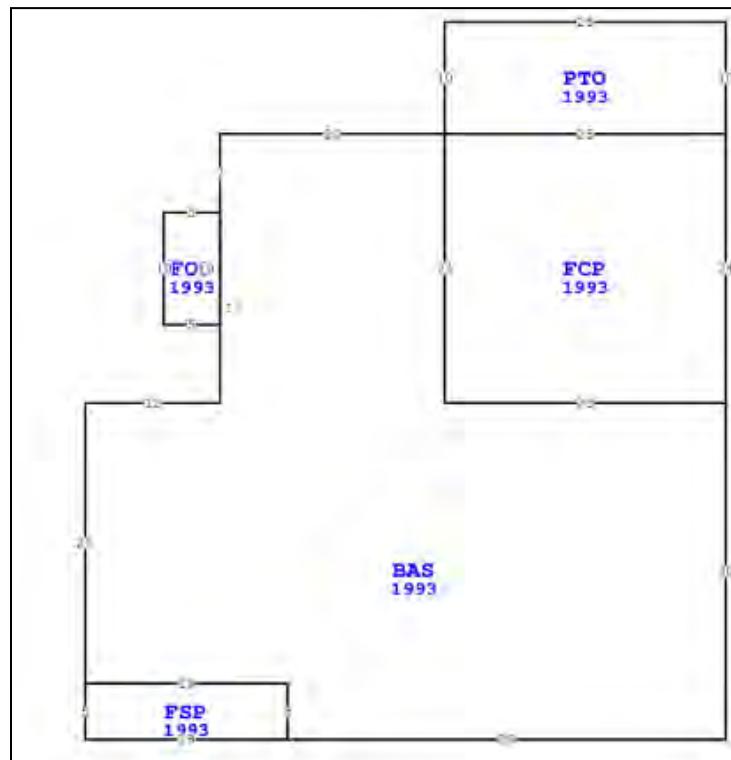

Figure 6-125. Photograph of 8DE01208 – 2, facing south.

Figure 6-126. Photograph of 8DE01208 – 3, facing southeast.

Figure 6-127. 8DE01208 base area plan (DCPA 2024).

Recommendation

The District recommends that **8DE01208 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. It is not eligible under Criteria A or B as no significant historical associations are known. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

8DE01209: 13615 SE Highway 70 Building 2

Resource Type: Structure

Build Date: circa 1952

Dimensions/Area: 2,913 sq ft

Modifications: Gable addition (ca. 1984); porch added to south (ca. 1984)

NRHP Eligibility Status: Ineligible

Resource Description

13615 SE Highway 70 Building 2 (8DE01209) is a newly recorded historical structure with Ranch style. Built in 1952, 8DE01209 is a one-story, irregular-shaped plan residence set on a continuous brick foundation. The intersecting-gable roof is topped with asphalt shingles, and the masonry walls are clad in brick veneer. The gable ends feature turned eaves and are clad in board-and-batten siding. The main entry is off center to the north on the west façade and consists of a slab door with a small light. It is accessed through a masonry stoop. An additional entrance is south of the main entry and is covered by a shed extension. This secondary entrance is located on a gable addition constructed by 1984. Fenestration includes paired and individual metal-framed single-hung-sash windows with two-over-two configuration with masonry sills. An exterior brick shoulder chimney is on the west facade, and an attached porch is on the south elevation (circa 1984). A historic outbuilding (ca. 1952) with two garage bays is southwest of the main building and accessed by a paved driveway. The southern portion of the property is enclosed with a wood panel fence (**Figure 6-128–Figure 6-130**).

8DE01209 is on the property that was once Dorr Airfield. The military facility was approved on November 21, 1917 and became the primary training site of the southeast, serving as the testing site for parachute innovations and guided missile experiments (Historic Property Associates, Inc. 1982). Following World War II, the airfield was acquired by the State of Florida for use as G. Pierce Wood Memorial Hospital in 1947 (Museum of Florida History 2024). In a historic aerial from 1952, two residences (8DE01208 and 8DE01209) associated with the G. Pierce Wood Memorial Hospital appeared. In 1968, patients from the mental health facility were transferred to the new facility constructed at Carlstrom Field, and Dorr Airfield became a Sunland Training Facility. However, the Sunland branch closed the following year, and the facility was adapted into a medium-security prison operated by the Florida Department of Corrections which is still in use today (Historic Property Associates, Inc. 1982).

According to the DCPA Records, the main building mass is 2,913 sq ft (**Figure 6-131**). This property is currently owned by Department of Corrections DeSoto Correctional Institute (DCPA 2024). This building was part of Dorr Airfield which was sold by the US Army in 1947 to the DeSoto Correctional Institution (Museum of Florida History 2024).

Figure 6-128. Photograph of 8DE01209 – 1, facing southeast.

Figure 6-129. Photograph of 8DE01209 – 2, facing south.

Figure 6-130. Photograph of 8DE01209 – 3, facing southwest.

Figure 6-131. 8DE01209 base area plan (DCPA 2024).

Recommendation

The District recommends that **8DE01209 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. It is not eligible under Criteria A or B as no significant historical associations are known. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

8DE01210: 13615 SE Highway 70 Building 3

Resource Type: Structure

Build Date: circa 1958

Dimensions/Area: 2,452 sq ft

Modifications: Storm doors (unknown date)

NRHP Eligibility Status: Ineligible

Resource Description

13615 SE Highway 70 Building 3 (8DE01210) is a newly recorded historical structure with Masonry Vernacular style. Built in 1958, 8DE01210 is a one-story, rectangular-shaped plan duplex residence set on a continuous concrete block foundation. The side-gable roof is topped with asphalt shingles, and the masonry walls are painted. Rafters are exposed at the gable ends which also feature attic vents. The main entry for each unit is off center to the east and west on the north façade and consist of panel doors within storm doors. A sidelight flanks each entrance. They are within a partial width incised shed porch with masonry stoops. Fenestration includes paired and grouped metal-framed single-hung-sash windows with one-over-one and two-over-two configuration as well as metal-framed awning windows with masonry sills. An attached porch is on the south elevation. A concrete path runs along the northern façade, and a parking lot associated with an adjacent building is north of the duplex residence (**Figure 6-132–Figure 6-134**).

8DE01210 is on the property that was once Dorr Airfield. The military facility was approved on November 21, 1917 and became the primary training site of the southeast, serving as the testing site for parachute innovations and guided missile experiments (Historic Property Associates, Inc. 1982). Following World War II, the airfield was acquired by the State of Florida for use as G. Pierce Wood Memorial Hospital in 1947 (Museum of Florida History 2024). In a historic aerial from 1958, three residences (8DE01210-8DE01212) associated with the G. Pierce Wood Memorial Hospital appear along the SR 70 east of the property's entrance. In 1968, patients from the mental health facility were transferred to the new facility constructed at Carlstrom Field, and Dorr Airfield became a Sunland Training Facility. However, the Sunland branch closed the following year, and the facility was adapted into a medium-security prison operated by the Florida Department of Corrections which is still in use today (Historic Property Associates, Inc. 1982).

According to the DCPA Records, the main building mass is 2,452 sq ft (**Figure 6-135**). This property is currently owned by Department of Corrections DeSoto Correctional Institute (DCPA 2024). This building was part of Dorr Airfield which was sold by the US Army in 1947 to the DeSoto Correctional Institution (Museum of Florida History 2024).

Figure 6-132. Photograph of 8DE01210 – 1, facing south.

Figure 6-134. Photograph of 8DE01210 – 3, facing southwest.

Figure 6-135. 8DE01210 base area plan (DCPA 2024).

Recommendation

The District recommends that **8DE01210 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. It is not eligible under Criteria A or B as no significant historical associations are known. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

8DE01211: 13615 SE Highway 70 Building 4

Resource Type: Structure

Build Date: circa 1958

Dimensions/Area: 2,452 sq ft

Modifications: Storm doors (unknown date)

NRHP Eligibility Status: Ineligible

Resource Description

13615 SE Highway 70 Building 4 (8DE01211) is a newly recorded historical structure with Masonry Vernacular style. Built in 1958, 8DE01211 is a one-story, rectangular-shaped plan duplex residence set on a continuous concrete block foundation. The Dutch-gable roof is topped with asphalt shingles, and the masonry walls are painted. The gable ends feature attic vents. The main entry for each unit is off center to the east and west on the north façade and consist of panel doors within storm doors. A sidelight flanks the western entrance. They are within a partial width incised shed porch with masonry stoops. Fenestration includes individual and grouped metal-framed single-hung-sash windows with two-over-two configuration as well as metal-framed awning windows with masonry sills. An attached porch is on the south elevation. A concrete path runs along the northern façade, and a paved driveway is west of the building (**Figure 6-136–Figure 6-138**).

8DE01211 is on the property that was once Dorr Airfield. The military facility was approved on November 21, 1917 and became the primary training site of the southeast, serving as the testing site for parachute innovations and guided missile experiments (Historic Property Associates, Inc. 1982). Following the Second World War, the airfield was acquired by the State of Florida for use as G. Pierce Wood Memorial Hospital in 1947 (Museum of Florida History 2024). In a historic aerial from 1958, three residences (8DE01210–8DE01212) associated with the G. Pierce Wood Memorial Hospital appear along the SR 70 east of the property's entrance. In 1968, patients from the mental health facility were transferred to the new facility constructed at Carlstrom Field, and Dorr Airfield became a Sunland Training Facility. However, the Sunland branch closed the following year, and the facility was adapted into a medium-security prison operated by the Florida Department of Corrections which is still in use today (Historic Property Associates, Inc. 1982).

According to the DCPA Records, the main building mass is 2,452 sq ft (**Figure 6-139**). This property is currently owned by Department of Corrections DeSoto Correctional Institute (DCPA 2024). This building was part of Dorr Airfield which was sold by the US Army in 1947 to the DeSoto Correctional Institution (Museum of Florida History 2024).

Recommendation

The District recommends that **8DE01212 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. It is not eligible under Criteria A or B as no significant historical associations are known. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

8DE01213: 17992 NE Highway 70

Resource Type: Structure

Build Date: circa 1979

Dimensions/Area: 768 sq ft

Modifications: None observed

NRHP Eligibility Status: Ineligible

Resource Description

17992 NE Highway 70 (8DE01213) is a newly recorded historical structure with Masonry Vernacular style. Built in 1979, 8DE01213 is a one-story, rectangular-shaped plan residence set on a concrete slab foundation. The side-gable roof is topped with asphalt shingles, and the masonry walls are painted. The gable ends are clad in vinyl siding. The main entry is located on the south façade within a partial width incised shed porch. The entry is obscured from the ROW. Fenestration includes individual and paired metal-framed single-hung-sash windows with one-over-one configuration flanked by inoperable shutters. A historic metal construction outbuilding (ca. 1978) is southwest of the main building. The property is accessed by a gravel road and is enclosed by a wire fence with wood posts (**Figure 6-144 and Figure 6-145**).

This building is on land that was part of the Parker Brothers Ranch. In 1833, Colonel (Col.) John Parker moved to Florida from North Carolina. Col. Parker settled on the ranch in 1858 which passed to his son, Jasper Parker in 1872 upon his death. Zeb Newton Parker, son of Jasper Parker, became the third-generation owner of the ranch in 1896 at the time of his father's death. Parker Brothers Ranch was incorporated in 1915 and covered approximately one-fifth of DeSoto County, 125 sq mi. In 1963, company president B.F. Wells sold the 80,000-ac ranch to Calvin Houghland for just under \$6 million. Wells continued to operate the property as a cattle ranch under the supervision of Parkers Brothers Ranch Inc. personnel (Tampa Tribune, 26 March 1963:2B).

In 1968, Jules and Jack Freeman, Lee County land developers, acquired a portion of land that once belonged to the old pioneering cattle ranchers. The Parker Brothers Inc. transferred 15,200 acres of the ranch through the American Agronomics Corps. The Freemans planned to develop one of the largest citrus operations in Florida. The brothers began their citrus venture in the 1950s in Bermont, FL (Dean, News-Press, 15 September 1968:1C). The machines from their original citrus grove in Bermont were moved to their new location in DeSoto County (Dean, News-Press, 15 September 1968:9C). This new grove became known as the Joshua Grove and encompasses 26,800 acres.

According to the DCPA Records, the main building mass is 768 sq ft, and the porch covers 45 sq ft (**Figure 6-146**). This property is currently owned by Florida Power & Light Company. In December 2022, Southeast Groves LLC sold the property to Florida Power & Light Company. In June 2015, Premier Citrus LLC sold the property to Southeast Groves LLC. In August 2007, Sunshine Agriculture Incorporated sold the property to Premier Citrus LLC. In November 1998,

Pelican Groves LTD sold the property to Sunshine Agriculture Incorporated. In August 1987, Jules and Jack Freeman sold the property to Pelican Groves LTD (DCPA 2024).

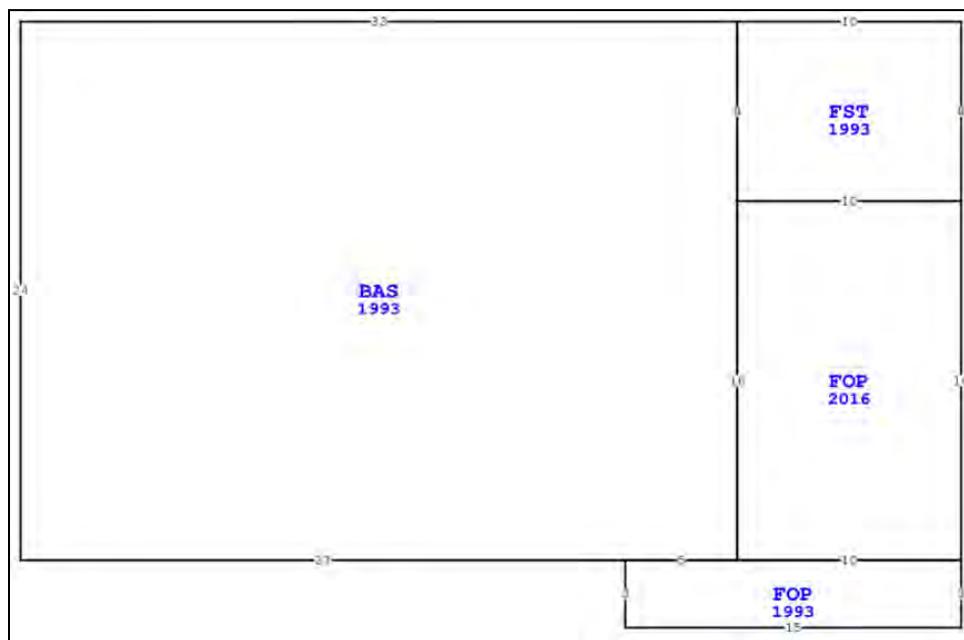

Figure 6-144. Photograph of 8DE01213 – 1, facing northwest.

Figure 6-145. Photograph of 8DE01213 – 2, facing northwest.

Figure 6-146. 8DE01213 base area plan (DCPA 2024).

Recommendation

The District recommends that **8DE01213 is ineligible for listing in the NRHP**; on May 29, 2025 the DHR concurred with this determination. Although the building is located on a property associated with agricultural significance and early pioneers in DeSoto County, 8DE01213 does not date to this period of significance, and there are no known significant associations with 8DE01213. Therefore, it is not eligible under Criteria A or B. The resource is not eligible under Criterion C due to its lack of architectural distinction. It is not eligible under Criterion D because it lacks the potential to yield further information of historical importance.

7 CONCLUSIONS AND RECOMMENDATIONS

A background search was conducted and identified three historical structures (8DE00829–8DE00831), four resource groups (8DE00382, 8DE00828, 8DE00858 and 8DE01154/8HG01306), and one historic bridge (8DE00859) previously recorded within the APE. Archaeological survey methods included pedestrian survey throughout the APE and subsurface testing in the form of STPs at 25-m (82 ft), 50-m (164 ft), and 100-m (328 ft) at intervals based on probability within areas of proposed new ground disturbance. During the field survey of the APE, 30 historical elements of the built environment and two archaeological sites were encountered.

Archaeological sites 8DE01218 (Toby's Resort) and 8DE01219 (Mare Branch Lithics) were newly recorded as precontact scatter sites for which the District and the DHR had insufficient information to make an NRHP recommendation for the sites as a whole but the portion within the APE **does not contribute to the potential NRHP eligibility**. Proposed project activities within the site boundaries include reconstructing and widening the roadway with all work proposed within the existing FDOT ROW. The District recommends that **no adverse effect to sites 8DE01218 and 8DE01219** is posed by the proposed undertaking.

This survey identified 30 historical resources, including four previously recorded resource groups (8DE00382, 8DE00828, 8DE00858, and 8DE01154/8HG01306), three previously recorded structures (8DE00829–8DE00831), 22 newly recorded structures (8DE01192–8DE01213), and one previously recorded bridge (8DE00859). Two of the previously recorded structures (8DE00829 and 8DE00831) have been demolished, and their information has been updated with the FMSF.

The District recommended that 8DE00830 and 8DE00858 **remain ineligible**, and that 8DE01192–8DE01195, and 8DE01197–8DE01213 are individually **ineligible** for listing in the NRHP; on May 29, 2025 the DHR concurred with this assessment. The structures were assessed as a group to assess the eligibility of a historic district; however, the District recommends the structures in the context of a group do not meet the eligibility criteria for nomination of a historic district. The majority of these structures are vernacular residential structures built between circa 1922 and circa 1979. One historical bridge (8DE00859) is exempt from Section 106 Review and was not recorded as it meets the requirements of the *2012 Program Comment Issued for Streamlining Section 106 Review of Actions Affecting Post-1945 Concrete and Steel Bridges*. This programmatic agreement establishes that concrete bridges constructed after 1950 are exempt from recording requirements and thus were excluded from documentation.

8DE00382 (Dorr Airfield) is a previously recorded designed historic landscape built circa 1919. As the resource extends beyond the APE, the District and the DHR has **insufficient information**

to evaluate 8DE00382 for listing in the NRHP. Previously recorded resources 8DE00448, 8DE00449, 8DE00450, and 8DE00451, which are potentially eligible are included in resource group 8DE00382. These four individual structures are listed in the FMSF as demolished. The closest of these plotted resources is 288 ft (87.82 m) south of the APE. Proposed project activities adjacent to 8DE00382 consist of widening and reconstruction of SR 70 from two to four lanes. These activities will not diminish the character-defining qualities that may qualify this resource for inclusion in the NRHP, and as such, will have **no effect on 8DE00382**.

8DE00828 (Old SR 18/Mahon Avenue) is a previously recorded linear resource built circa 1915 for which the boundaries were expanded by this current survey. The District recommends **8DE00828 remains eligible for listing in the NRHP**. 8DE00828 meets Criterion A in the areas of Transportation and Community Planning and Development. Proposed project activities adjacent to 8DE00828 consist of widening and reconstruction of SR 70 from two to four lanes, drainage improvements, and share use path construction. The July 2025 Section 106 Case Study for this resource found that the preferred alternative will have **an adverse effect to 8DE00828 (Old SR 18/Mahon Avenue) which is unavoidable; mitigation will be provided**. Resource-specific coordination will continue as necessary between the FDOT and DHR through the Section 106 consultation process.

A segment of 8DE01154/8HG01306 (SR 70) was newly recorded as part of the previously recorded linear resource built circa 1959. As the resource extends beyond the APE, the District had **insufficient information** to evaluate 8DE01154/8HG01306 for listing in the NRHP. Proposed project activities within the boundary of 8DE01154/8HG01306 consist of widening and reconstruction of SR 70 from two to four lanes. These activities are needed in order to improve operational and vehicular safety along the corridor. The activities are not anticipated to diminish the character-defining qualities that may qualify this linear resource for inclusion in the NRHP. The District recommended that **no adverse effect to 8DE01154/8HG01306 (SR 70) is posed by the proposed undertaking**.

8DE01196 (1058-1060 SE Hansel Avenue) is a newly recorded historical structure with Industrial Vernacular style built circa 1945. The District recommends and the DHR concurred that **8DE01196 is eligible for listing in the NRHP under Criterion A and B**. 8DE01196 is eligible under Criterion A for its association to the Fenton Feeder innovation, which had broad implications across the cattle industry, and Criterion B for its associations to Carl Fenton, a leader in the agricultural industry as well as the local Arcadia community. Project activities adjacent to 8DE01196 will include milling and resurfacing, generally consistent with current conditions. Therefore, proposed activities are not expected to diminish the character-defining qualities that qualify this resource for inclusion in the NRHP, and as such will have **no adverse effect on 8DE01196**.

Artifact Catalog

FS. Lot No.	Material Type	Description	Count	Mass (G)
1.01	Glass	clear, flat fragment	1	5.71
1.02	Wood	wood fragment, discarded	1	7.61
2.01	Glass	clear, flat fragment	1	2.91
2.02	Other	coal fragments	3	2.11
3.01	Ceramic, Non-Aboriginal	porcelain fragment	1	0.12
4.01	Lithic	shatter, coastal plain chert	2	1.09
4.02	Lithic	tertiary flake, coastal plain chert	1	9.3
4.03	Lithic	secondary flake with worked edge	1	26.59
4.04	Faunal Bone	rabbit (Sylvilagus) left dentary fragment with three molars & one premolar	1	0.96
5.01	Lithic	shatter, heat treated, coastal plain chert	2	10.84
5.02	Lithic	secondary flake, heat treated, coastal plain chert	1	16.75

FS. Lot No.	Material Type	Description	Count	Mass (G)
5.03	Lithic	unifacial flake tool, heat treated, coastal plain chert	1	16.73
5.04	Lithic	core fragment, heat treated, coastal plain chert	1	32.98
5.05	Lithic	secondary flake, coastal plain chert	1	98.75
5.06	Lithic	tertiary flake, coastal plain chert	1	1.34
6.01	Lithic	unifacial ppk, untyped, coastal plain chert	1	13.67
6.02	Lithic	tertiary flake, coastal plain chert	1	4.36
6.03	Other	asphalt/hardened soil fragments, discarded	9	31.34
7.01	Wood	wood fragment, discarded	1	1.29
7.02	Other	asphalt/hardened soil fragments, discarded	4	30.1
7.03	Other	unmodified stone, discarded	2	26.68

Research and Field Methods

Types of Survey (select all that apply): archaeological architectural historical/archival underwater
damage assessment monitoring report other(describe): _____

Scope/Intensity/Procedures

Archaeology survey included pedestrian survey and subsurface testing based on archaeological site potential. Architectural/historical survey included photographic and documenting all age-eligible structures and resources within the APE.

Preliminary Methods (select as many as apply to the project as a whole)

Florida Archives (Gray Building) library research- *local/public* local property or tax records other historic maps LIDAR
Florida Photo Archives (Gray Building) library-special collection newspaper files soils maps or data other remote sensing
Site File property search Public Lands Survey (maps at DEP) literature search windshield survey
Site File survey search local informant(s) Sanborn Insurance maps aerial photography
other (describe): _____

Archaeological Methods (select as many as apply to the project as a whole)

Check here if **NO** archaeological methods were used.
surface collection, controlled shovel test-other screen size block excavation (at least 2x2 m) metal detector
surface collection, uncontrolled water screen soil resistivity other remote sensing
shovel test-1/4" screen posthole tests magnetometer pedestrian survey
shovel test-1/8" screen auger tests side scan sonar unknown
shovel test 1/16" screen coring ground penetrating radar (GPR)
shovel test-unscreened test excavation (at least 1x2 m) LIDAR
other (describe): _____

Historical/Architectural Methods (select as many as apply to the project as a whole)

Check here if **NO** historical/architectural methods were used.
building permits demolition permits neighbor interview subdivision maps
commercial permits windshield survey occupant interview tax records
interior documentation local property records occupation permits unknown
other (describe): _____

RESOURCE GROUP FORM

FLORIDA MASTER SITE FILE

Version 5.0 3/19

Site #8 DE00382
 Field Date 4-11-2024
 Form Date 9-20-2024
 Recorder# _____

Consult the *Guide to the Resource Group Form* for additional instructions

NOTE: Use this form to document districts, landscapes, building complexes and linear resources as described in the box below. Cultural resources contributing to the Resource Group should also be documented individually at the Site File. **Do not use this form for National Register multiple property submissions (MPSs).** National Register MPSs are treated as Site File manuscripts and are associated with the individual resources included under the MPS cover using the Site File manuscript number.

Check ONE box that best describes the Resource Group:

- Historic district** (NR category "district"): buildings and NR structures only: NO archaeological sites
- Archaeological district** (NR category "district"): archaeological sites only: NO buildings or NR structures
- Mixed district** (NR category "district"): includes more than one type of cultural resource (example: archaeological sites and buildings)
- Building complex** (NR category usually "building(s)": multiple buildings in close spatial and functional association
- Designed historic landscape** (NR category usually "district" or "site"): can include multiple resources (see *National Register Bulletin #18*, page 2 for more detailed definition and examples: e.g. parks, golf courses, campuses, resorts, etc.)
- Rural historic landscape** (NR category usually "district" or "site"): can include multiple resources and resources not formally designed (see *National Register Bulletin #30, Guidelines for Evaluating and Documenting Rural Historic Landscapes* for more detailed definition and examples: e.g. farmsteads, fish camps, lumber camps, traditional ceremonial sites, etc.)
- Linear resource** (NR category usually "structure"): Linear resources are a special type of structure or historic landscape and can include canals, railways, roads, etc.

Narrative Description (National Register Bulletin 16A pp. 33-34; attach supplementary sheets if needed)

A military committee including Major Paul Ferron of the US Army and Captain A.J. Boyviven of the French Aviation Corps selected the area which was approved on November 21, 1917. By 1920, Arcadia was hailed as "Aviation City".

OPINION OF RESOURCE SIGNIFICANCE

Appears to meet the criteria for National Register listing individually? yes no insufficient informationAppears to meet the criteria for National Register listing as part of a district? yes no insufficient information

Explanation of Evaluation (required, whether significant or not; use separate sheet if needed)

The District recommends that 8DE00830 remains ineligible for listing in the NRHP. It is not eligible under Criteria A, B, C, and D.

Area(s) of Historical Significance (see *National Register Bulletin* 15, p. 8 for categories: e.g. "architecture", "ethnic heritage", "community planning & development", etc.)

OPINION OF RESOURCE SIGNIFICANCE

Potentially eligible individually for National Register of Historic Places? yes no insufficient information

Potentially eligible as contributor to a National Register district? yes no insufficient information

Explanation of Evaluation (required if evaluated; use separate sheet if needed)

8DE01218 is not completely bounded so there is insufficient information for an NRHP recommendation but no avoidance is recommended within the ROW

Recommendations for Owner or SHPO Action

No further work for this undertaking; Delineation beyond ROW if possible.

DHR USE ONLY

Other methods; number, size, depth, pattern of units; screen size (attach site plan)

13 Standard STPs, all soil screened. 3 contained precontact materials and 3 could not be dug due to utilities or pavement. bounds unknown due to project limited to the ROW

SITE DESCRIPTION

Extent/Size (m²) 2,775 Depth/stratigraphy of cultural deposit (describe below)

0-80 cmbs, Strata I/II

Temporal Interpretation - Components (check one): single component multiple component uncertain

Describe each occupation in plan (refer to attached large scale map) and stratigraphically. Discuss temporal and functional interpretations:

Precontact native American campsite and lithic scatter site.

Integrity - Overall disturbance: none seen minor substantial major redeposited destroyed-document! unknown

Disturbances / threats / protective measures

Construction of Old SR 18/Mahon Ave, realignment of SR 70, and entrance to Toby's RV Resort/widening of ROW / none recommended.

Surface collection: area collected _____ m² # collection units _____ | Excavation: # noncontiguous blocks _____

ARTIFACTS

Total Artifacts # 14 count estimate

Surface # 14 | Subsurface # _____

COLLECTION SELECTIVITY

unknown unselective (all artifacts)
 selective (some artifacts)
 mixed selectivity

SPATIAL CONTROL

uncollected general (not by subarea)
 unknown controlled (by subarea)
 variable spatial control
 other (describe in comments below)

Artifact Comments

Lithicdebitage (n=11), stone tools (n=2), and faunal bone (n=1).

select a disposition from the list below for each artifact category selected at left

A - category always collected
 S - some items in category collected
 O - observed first hand, but not collected
 R - collected and subsequently left at site
 I - informant reported category present
 U - unknown
