

S.R. 29 from C.R. 846 E to North of New Market Road N & S.R. 29 from New Market Road to S.R. 82

Collier County, Florida

February 2026

Financial Project ID: 417540-5 & 417540-6

Joint Hybrid Public Meeting

The Florida Department of Transportation (FDOT), District One, invites you to participate in a joint public meeting for two State Road (S.R.) 29 design projects: the new alignment from County Road (C.R.) 846 East to North of New Market Road N and the widening from New Market Road to S.R. 82 in Collier County. Attendees will be able to view project exhibits, ask questions, and review the designs with members of the project team.

For your convenience, there are several options to participate in the public meeting including an in-person option and a virtual/online option. All participants, regardless of the platform they choose, will receive the same information on the proposed projects, and all comments received in-person, virtually, or electronically, will be given equal weight.

For more information regarding the projects please visit the project websites at swflroads.com/project/417540-5 and swflroads.com/project/417540-6.

417540-5: From C.R. 846 E to North of New Market Road N

In-Person Meeting

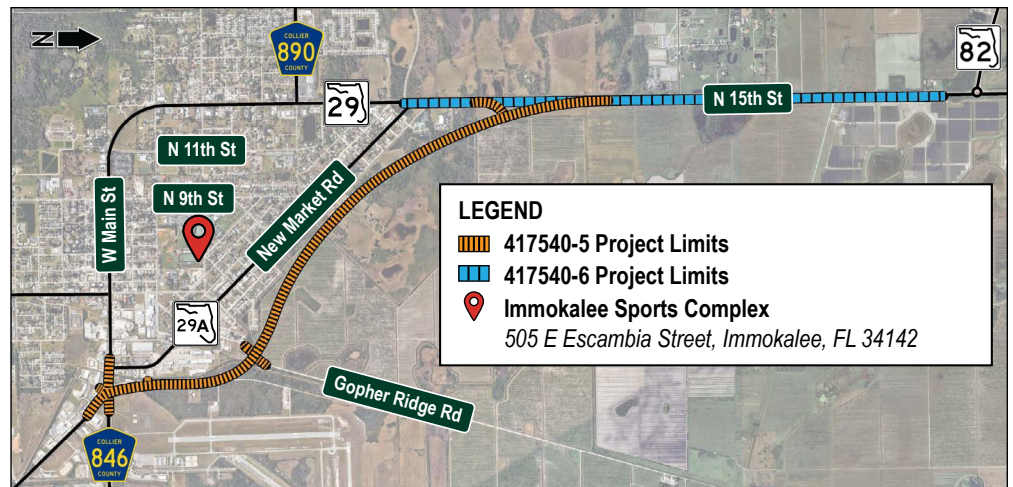

Thursday, March 19, 2026

Open House:

5:00 pm to 7:00 pm

Immokalee Sports Complex

505 E Escambia Street
Immokalee, FL 34142

Virtual Meeting

Tuesday, March 24, 2026

Project Presentation: 5:00 pm - 5:30 pm

Q&A Session: 5:30 pm - 6:00 pm

Participants can use their telephone or computer mic & speakers (VoIP). To participate in listen-only mode without registration, you may optionally dial into the meeting with the following information:

United States: +1 (631) 992-3221 | **Attendee-muted:** 586-863-429

Please register for 417540-5 and 417540-6 Virtual Public Meeting at:

<https://register.gotowebinar.com/register/648328725887821166>

After registering, you will receive a confirmation email containing information about joining the webinar.

Virtual Public Meeting Registration

About the Projects

These design projects are part of a broader FDOT initiative to improve the S.R. 29 Immokalee corridor, which has been underway since 2007. Design for the new alignment of S.R. 29 around downtown Immokalee—from C.R. 846 East to S.R. 82 in Collier County—began in May 2018. The PD&E phase was completed on June 19, 2024, and the most recent public project update was shared in May 2024.

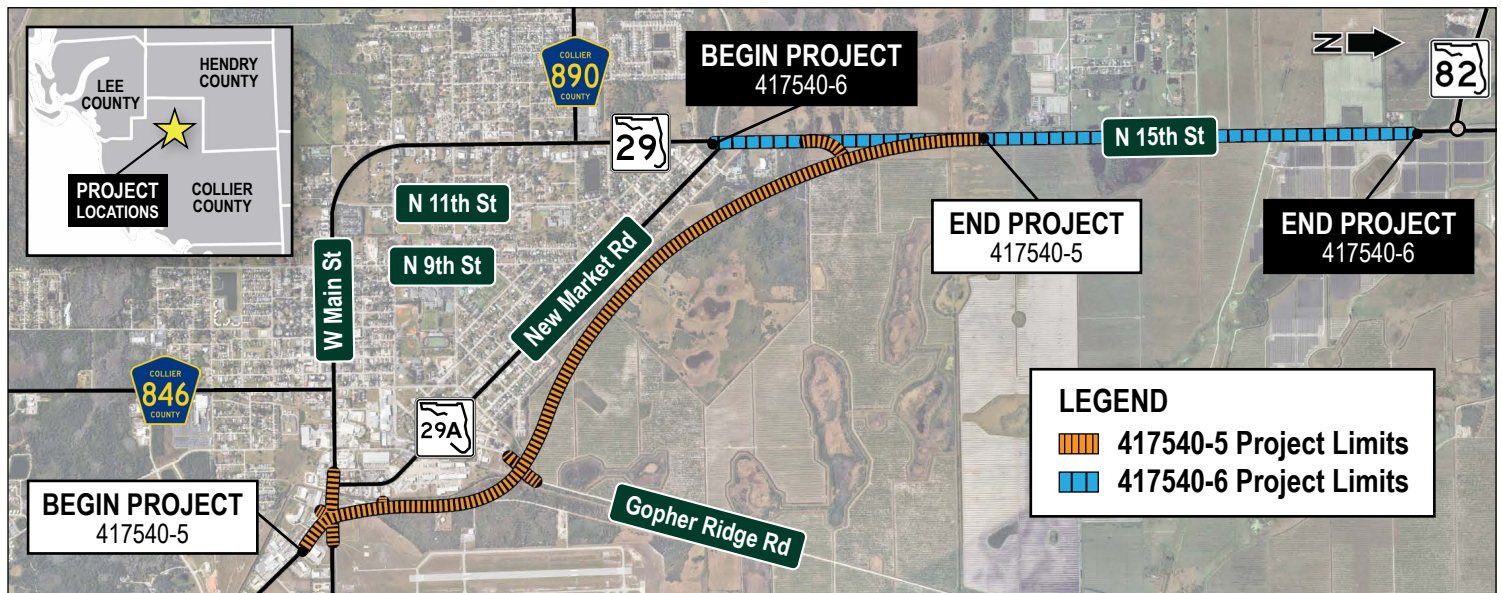

417540-5: From C.R. 846 E to North of New Market Road N

This segment of S.R. 29 is a new alignment and will feature a divided roadway, speed limits between 45 to 55 miles per hour, shared use paths on both sides of the road, pedestrian-activated signals at the C.R. 856 and Alachua roundabouts, and a signalized intersection at the existing S.R. 29 and new S.R. 29 alignment location.

417540-6: From New Market Road to S.R. 82

This segment of S.R. 29 is being widened from 2 to 4 lanes and will feature a divided roadway, speed limits between 45 and 55 miles per hour, shared use paths on both sides of the road, and pedestrian-activated signals at the New Market Road/Westclox Road roundabout.

Both project alignments were selected based on the result of a series of analyses which included several public meetings, hearings, technical evaluations and stakeholder coordination. Additional information related to the Project Development & Environment Study that shaped these project designs is available at swfroads.com/project/417540-1.

Engage With Us!

After reviewing the meeting materials, and/or participating, you may submit comments in several ways:

1. During the in-person meeting or virtual meeting
2. Via the project websites at swfroads.com/project/417540-5 and swfroads.com/project/417540-6
3. Email or mail comments to the Project Managers below

While comments about the project are accepted at any time, please note that comments must be received by **Thursday, April 2, 2026** to be included in the formal meeting record.
