

S.R. 776 from Merchants Crossing to the Sarasota County Line

Financial Project ID No.: 449652-1

May 2026

WELCOME TO THE PUBLIC MEETING

The Florida Department of Transportation (FDOT), District One, welcomes you to the State Road (S.R.) 776 from Merchants Crossing to the Sarasota County Line Public Meeting. FDOT is hosting this Public Meeting to provide you with the opportunity to express your views about the proposed improvements. Scan the QR code to visit the project website.

PROJECT OVERVIEW

FDOT, District One, is proposing safety and operational improvements along S.R. 776 in Charlotte County. The proposed improvements have been requested by the District One Traffic Safety Department to improve access management and reduce crash potential along the corridor.

S.R. 776 is a five-lane undivided roadway with two travel lanes in each direction, a center two-way left-turn lane, and bicycle lanes and sidewalk on both sides of the roadway. Proposed improvements include implementing traffic separators, protected bicycle lanes, and raised medians with directional median openings at designated locations throughout the corridor to better accommodate turning movements along S.R. 776. The purpose of these improvements is to reduce conflict points and improve overall roadway safety while maintaining access to adjacent properties.

This meeting is being held to present project information and provide an opportunity for the public to offer feedback. FDOT will accept written comments during and after the meeting. Please submit your comments by June 1, 2026 to be included in the formal public meeting record.

CONTACT US

If you have questions or comments regarding the project, please contact FDOT Project Manager, Ulises Valles.
