

# U.S. 27 from Industrial Canal to W Sagamore Avenue Design Public Information Meeting

Hendry County, Florida

The Florida Department of Transportation (FDOT) invites you to attend a second public information meeting to view the revised designs of the U.S. 27 from Industrial Canal to W Sagamore Avenue Design Project in Hendry County, Financial Project Identification (FPID) 447287-1. The new designs reflect public comment provided during the December 2025 meeting. The project team will be available to answer questions.

Participation is available either in-person or online, and materials will also be available on the project website. The same materials will be provided for every option.

The proposed improvements include resurfacing the roadway, select median modifications, and drainage improvements.
