

Financial Project ID: 449656-1

July 2025  
Okeechobee County, FL

## CONSTRUCTION PROJECT

The Florida Department of Transportation (FDOT) will begin safety improvements at the intersection of US 441 and 28th Street starting in July 2025. The project limits cover approximately 0.04 miles. In addition to milling and resurfacing, crews will install sidewalks, curb and gutter, lighting, widening, updated signage and pavement markings, and traffic loop assemblies. The estimated project cost is \$900,000. Lane closures and traffic pattern changes will be in place during construction.

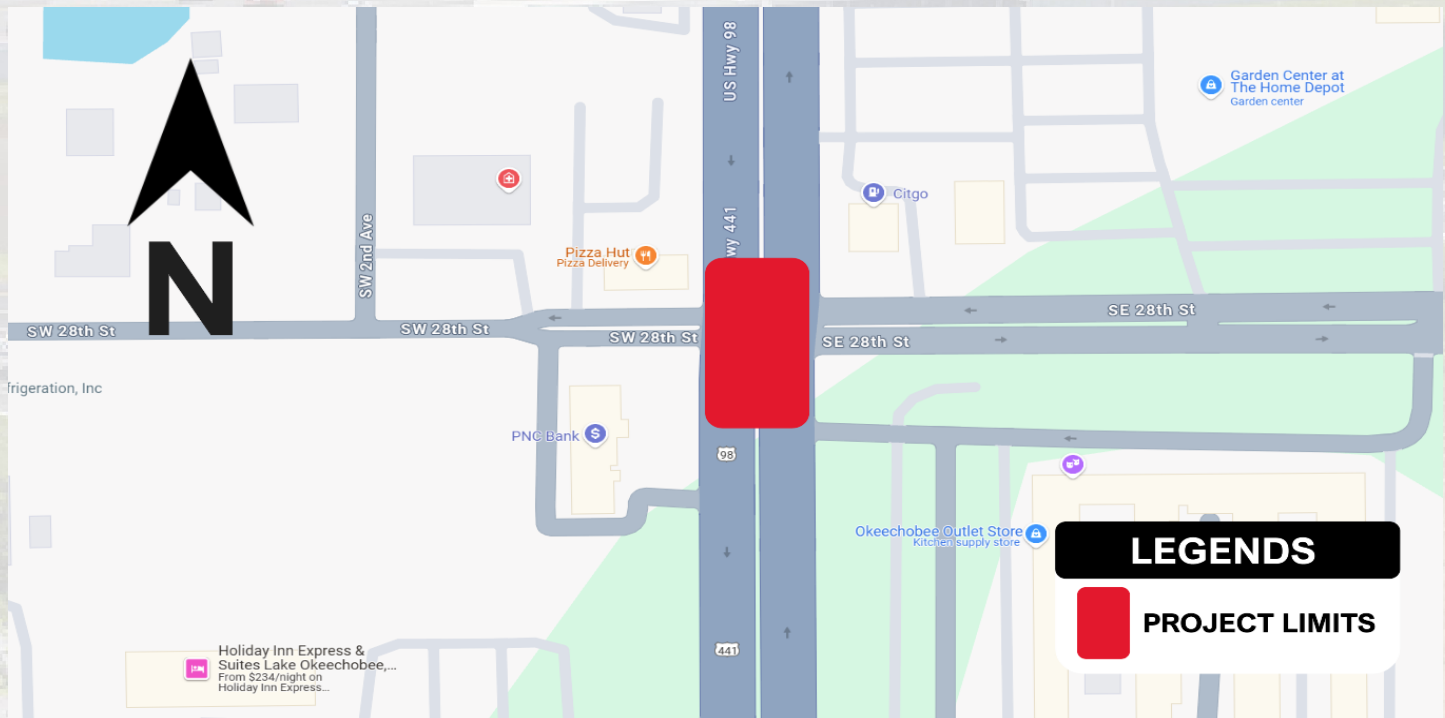

## PROJECT IMPROVEMENTS

- Milling and resurfacing
- Curb and gutter installation
- Sidewalk construction and widening
- Lighting and traffic signal improvements
- Signing and pavement markings

## PROJECT SCHEDULE

- Construction begins early July 2025; estimated completion is fall of 2025
- Traffic will be reduced to one lane as needed
- During construction there may be daytime and nighttime lane closures
- Be aware of changing traffic patterns, heavy equipment, and workers during construction
