

FLORIDA DEPARTMENT OF TRANSPORTATION SR 789 FROM SOUTH OF COQUINA PARK ENTRANCE TO SR 64/MANATEE AVENUE WEST

Financial Project ID: 451021-1

October 2025
Sarasota County, FL

CONSTRUCTION PROJECT

The Florida Department of Transportation (FDOT) will begin milling and resurfacing approximately four miles of SR 789 from the Coquina Park entrance to SR 64/Manatee Avenue West in fall 2025. In addition to milling and resurfacing, crews will install traffic monitoring devices and will apply new signing and pavement markings. The estimated project cost is \$3 million and estimated completion is early spring 2026. To minimize inconvenience, the project will be done overnight. Noise is to be expected. The project was accelerated to start just after turtle nesting season ends on October 31, 2025, and is expected to finish before the next nesting season starts on May 1, 2026.

PROJECT IMPROVEMENTS

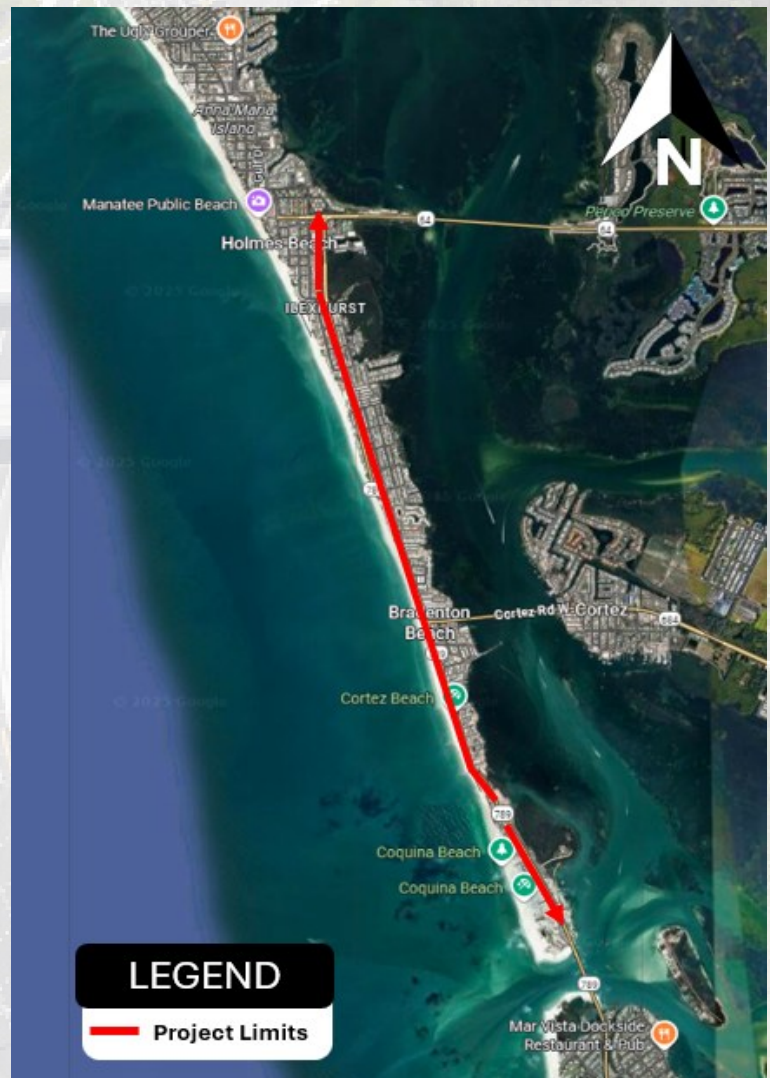

- Milling and resurfacing
- Signage and pavement markings
- Traffic monitoring devices
- Sod replacement and installation

PROJECT SCHEDULE

- Construction begins fall of 2025
- Estimated completion is spring 2026
- Motorists can expect single-lane closures overnight during the project
- Motorists should plan for extra travel time within the project limits during evening hours
