

PUBLIC MEETING

SR 867 (McGregor Boulevard) Safety Improvements
from Cypress Lake Drive to Edinburgh Drive

Lee County, Florida

FPID: 447884-1

DATE: June 2022

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) District One is proposing safety improvements on State Road (SR) 867 (McGregor Boulevard) from Cypress Lake Drive to Edinburgh Drive in Fort Myers.

The project proposed replacing the two-way, left turn lane with a raised median along the project corridor to enhance safety and eliminate conflict points. In response to citizen comments from the January public meeting, FDOT updated the design plans to include median openings and left turn lanes that allow U-turns and provide access to high-volume commercial and residential areas. FDOT will also be synchronizing signal timing to allow for the additional U-turns at all signalized intersections.
