FDOT will hold a **public meeting** to allow affected property owners, business owners, interested persons and organizations the opportunity to **provide comments** regarding the proposed changes.

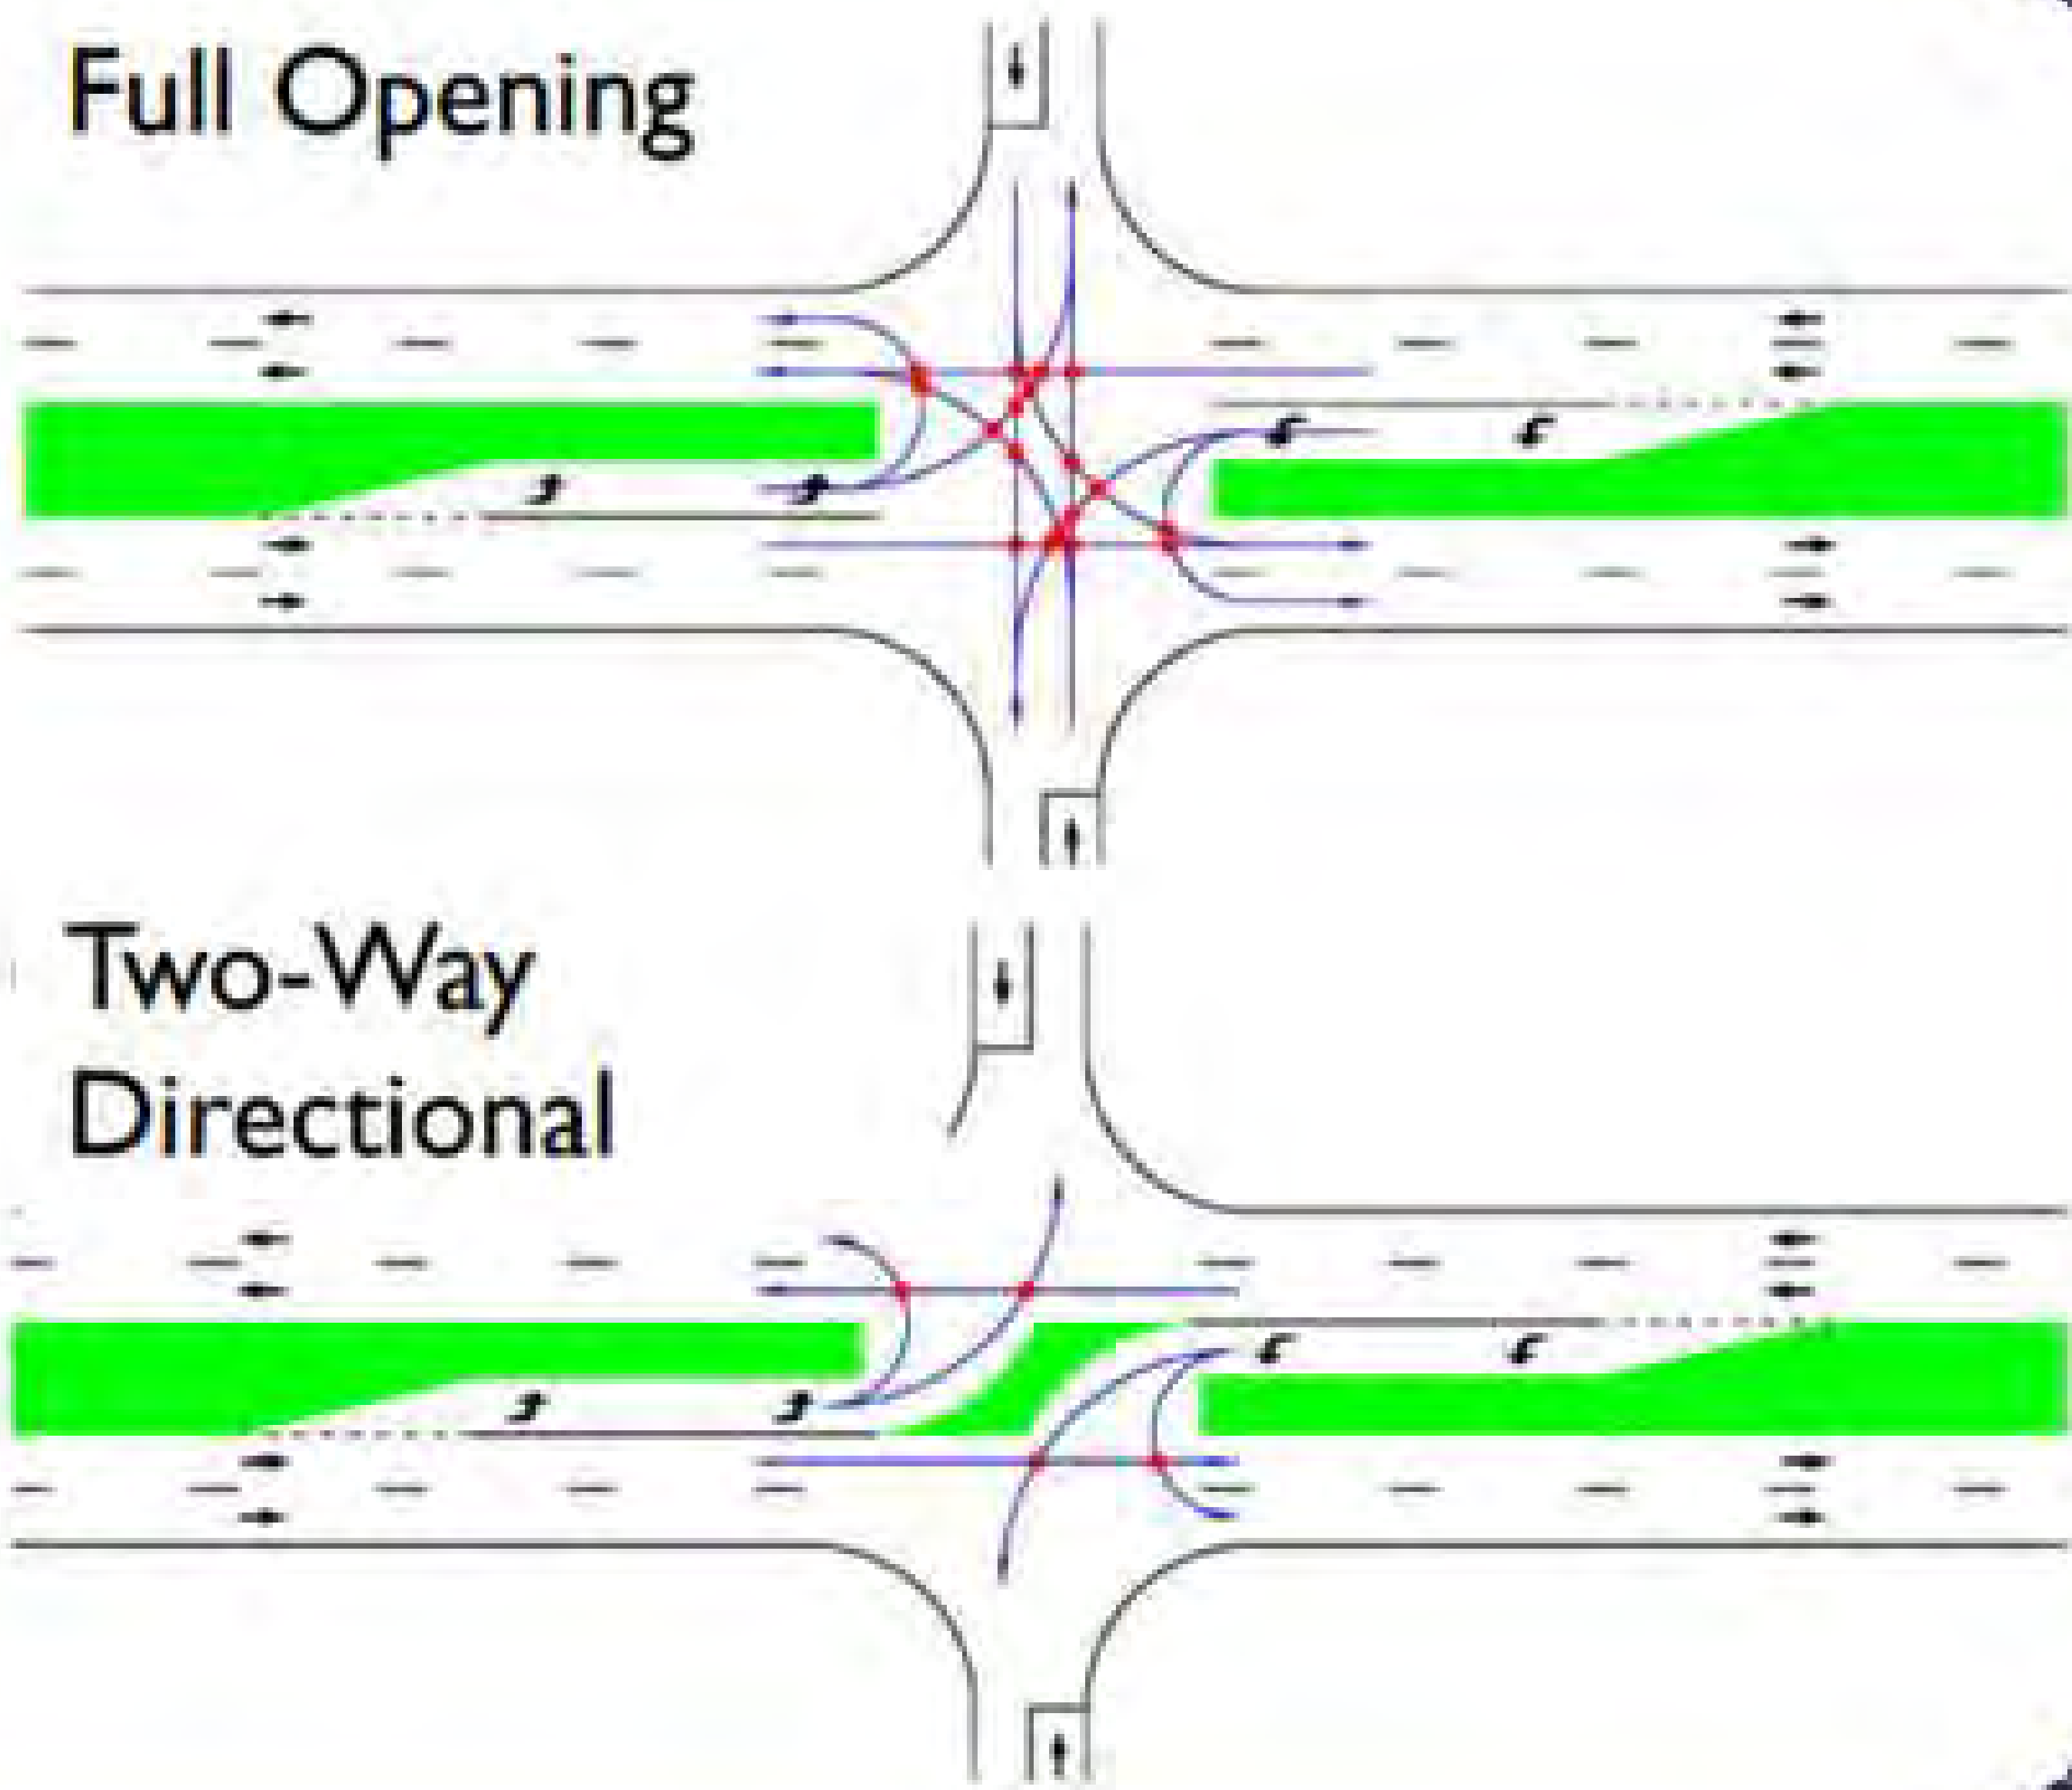

- Crash data from 2015–2025 shows safety concerns at Gulf Park Drive and Ridge Drive.
- At Gulf Park Drive, about 20% of crashes could have been prevented with the proposed median modification.
- At Ridge Drive, 33% of crashes could have been prevented with the proposed median modification.
- These improvements will reduce conflict points and enhance safety along US 41.

Full median openings have 18 major conflict points.

Two-way directional openings have 4.

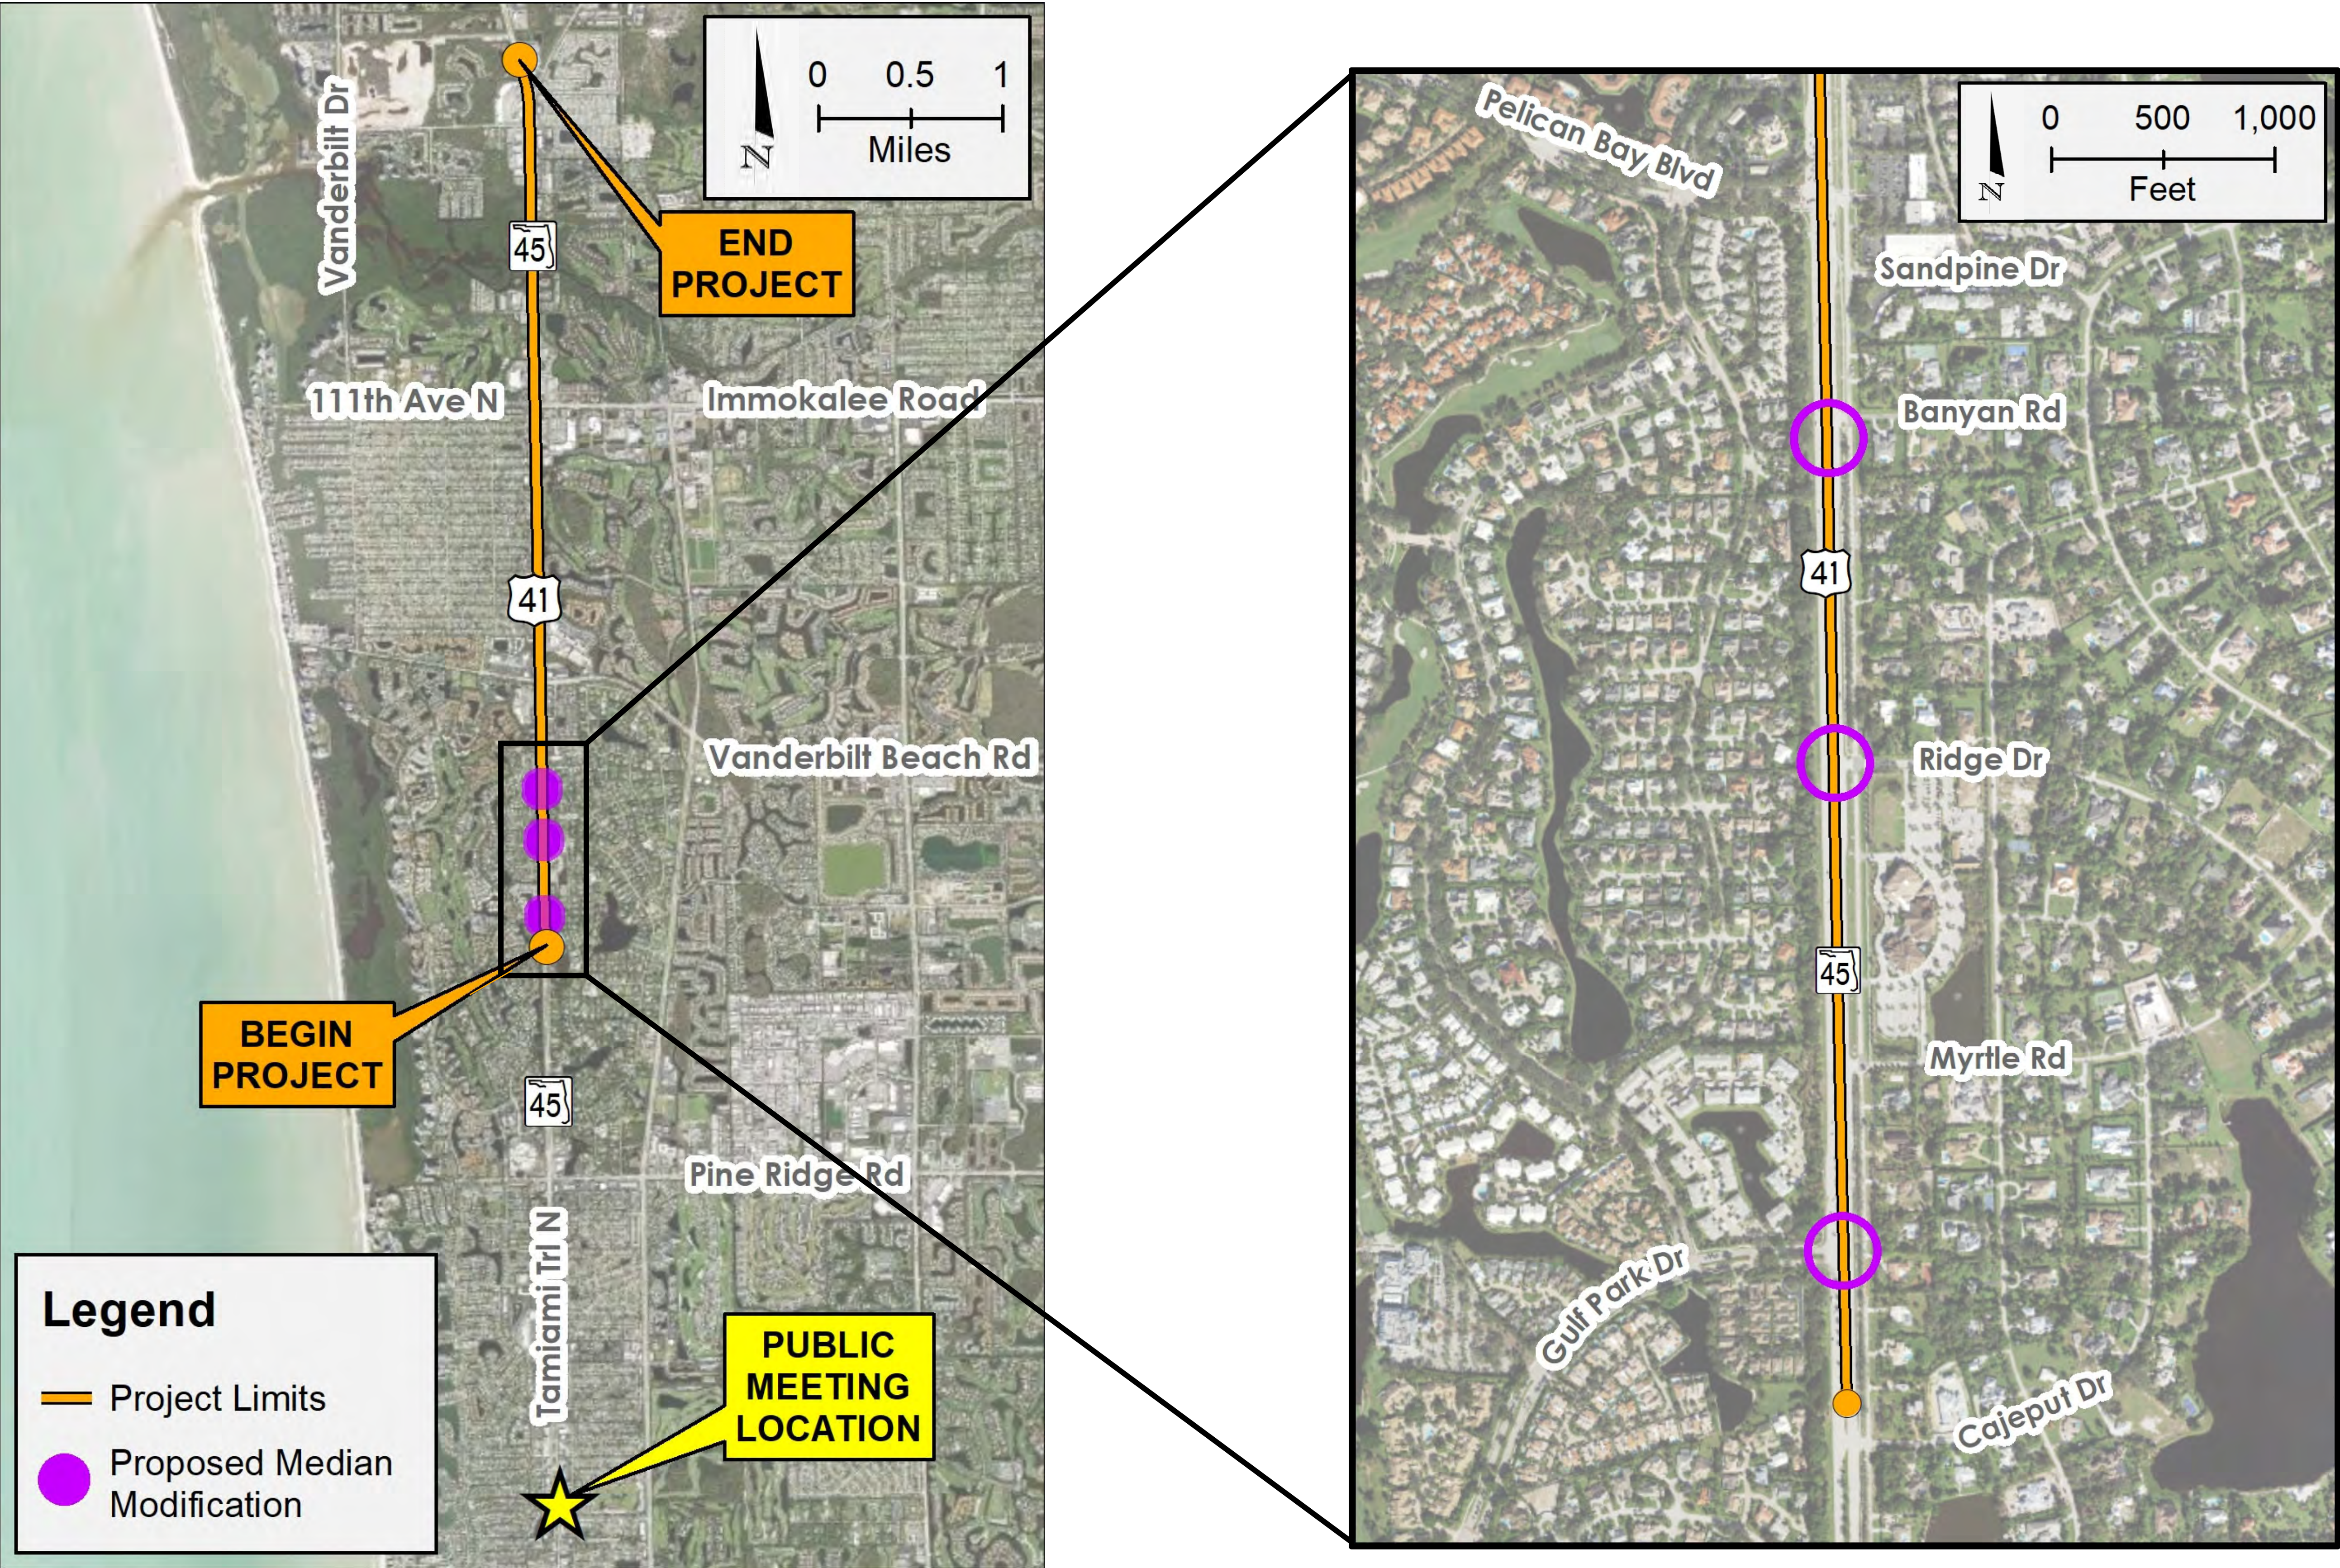

Restricting the number of conflict points reduces fatal and injury crashes by **54%**
