

FLORIDA DEPARTMENT OF TRANSPORTATION

SR 72 Clark Road at Proctor Road and Dove Avenue Roundabout

Sarasota County

Financial Project ID: 440686-1-52-01

July 2021

CONSTRUCTION PROJECT

The Florida Department of Transportation will begin construction of a new roundabout at State Road 72 Clark Road and Proctor Road / Dove Avenue. This will replace the current signalized intersection with a free-flowing roundabout that will: improve mobility through the corridor; reduce speeding through the intersection; enhance vehicle, bicycle and pedestrian safety; and reduce vehicle emissions by reducing vehicle idle times.

PROJECT IMPROVEMENTS

- Construct a free-flowing roundabout replacing the signalized intersection
- Mill and resurface SR 72 to improve roadway condition, drainage, and skid control
- Update signing, pavement markings, lighting, sidewalk and guardrail
- **Estimated Construction Costs: \$2,574,000**

Aerial view of the construction zone, where SR 72 intersects Proctor Road and Dove Avenue

PROJECT SCHEDULE

- Construction begins July 2021 and ends approximately fall 2022
- Dates and contractor schedules may be adjusted due to weather and mitigating factors
- Lane closures and traffic shifts will be in place during various phases of the project
- Lane closures are not allowed from 7 a.m. to 9 a.m. or during non-work periods

Phase 1: What to expect?

- Install temporary signals
- Construct roadway and roundabout on the north side of SR 72 and west side of Proctor
- Traffic shifts to new lane pattern

Phase 2: What to expect?

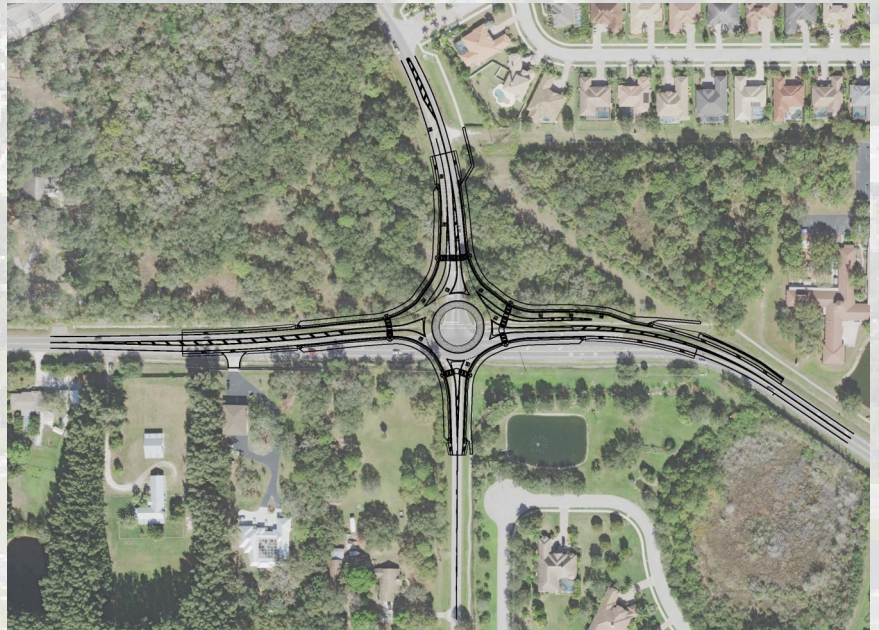

- Phase 2 A: construct east side of the roundabout
- Phase 2 A: construct east side of Proctor Road
- Phase 2 A: construct south side of SR 72 and roundabout
- Phase 2 B: Construct Dove Avenue side of the roundabout
- Dove Avenue will be closed for no longer than three months

Phase 3: What to expect?

- **Remove temporary signals**
- **Phases 3 and 4: open roundabout to traffic**
- Construct center traffic island (scheduled for overnight hours 10 p.m. to 6 a.m.)
- Construct right turn traffic islands (scheduled for overnight hours 10 p.m. to 6 a.m.)
- Install permanent signs

Phase 4: What to expect?

- **Phases 3 and 4: open roundabout to traffic**
- Construct final friction course
- Stripe final pavement markings
