WORK ZONE SAFETY It's Everyone's Job

The Florida Department of Transportation asks you to do your job when it comes to work zone safety.

TIPS FOR ROAD USERS

- **WATCH** for vehicles entering and leaving the roadway.
- **BE AWARE** of workers while driving through an active work zone.
- **SLOW DOWN** follow posted speed limit.
- **SAVE LIVES** avoid distractions and always drive sober.

JOIN US!

for an Informational Question and Answer Session on the
I-75 at SR 72/Clark Road Interchange Improvement Project

OCTOBER 7, 2021 at 5 PM

The meeting will be held online and will be accessible through the project website at
www.swflroads.com/i75/clarkrd

To attend the online, live question and answer session, please visit the project website anytime from 5 to 6 p.m. on Thursday, October 7, 2021 to enter the session.

Project information will be available in a virtual meeting room, and from here participants can attend the live question and answer session. All attendees will be muted, and questions can be entered through the chat function. Session displays will remain posted on the project website following the meeting.

If you do not have internet access and would like project information mailed to you, please contact Brian Bollas at (813) 262-8499 or via e-mail at Brian.Bollas@dot.state.fl.us.

Interstate 75 at State Road 72/Clark Road Interchange Improvements

CONSTRUCTION PROJECT

The Florida Department of Transportation will begin construction on the Interstate 75 (I-75) at State Road 72 (SR 72)/Clark Road interchange to provide improvements to the interchange in order to improve highway operations, safety, and regional mobility.

Improvements include:

- Reconstruction of the SR 72 interchange converting to a diverging diamond interchange design
- Reconstruction of interchange entrance and exit ramps
- Widen I-75 northbound to provide an auxiliary lane from SR 72 to the Bee Ridge Road interchange; and, I-75 southbound from Proctor Road to SR 72
- Construct noise walls in the northeast and northwest quadrants of the interchange
- Install new mast arms for the existing traffic signal at Catamaran Drive; and, install a new traffic signal at Queensbury Boulevard
- Construct 7-foot buffered bike lanes and 6-foot sidewalks on SR 72
- Resurface SR 72

PROJECT SCHEDULE

Stage*	Start*	What*
Stage I	Late 2021	Mobilization Maintenance of Traffic Utility coordination Construct I-75 auxiliary lanes
Stage II	Early/Mid 2022	Construct Noise Walls Construct the Diverging Diamond Interchange Construct Clark Road improvements (bike lane, sidewalk, signals)
Stage III	Early/Mid 2023	Final resurfacing and striping Open DDI

* Schedule is tentative, subject to change, and weather permitting

PROJECT COST

Construction costs are estimated at \$52.6 M
